On the facts of the present case , it is noticed that the petitioners are said to be running colleges of education, which have been duly recognized by the National Council of Teacher Education (NCTE) , a statutory body of Government of India and are affiliated to the Tumkur University. PS Dinesh Kumar, Legal counsel for defending in the Hon'ble High Court of Karnataka stating that “in my opinion, in view of the observations contained in paragraph No.3 of the order, it is not a fit case to file an appeal. The direction of the Hon'ble Court is to consider the objections filed to the original notice after re-issuing notice to the petitioner and afford an opportunity of hearing. It is therefore, desirable to comply with the order instead of challenging the same in appeal.”</p> <p>The Committee considered the matter, decided that earlier decision taken in 257th meeting held on 20-22nd Dec, 2013, to file an appeal through our Lawyer is revised. The institution was granted recognition on 23.10.2006 from the academic session 2006-07 with a condition to shift to its own premises since the institution is started in rented premises.</p> <p>On 10.5.2011, a complaint was received from Sri. Abdul Gafoor T.P., Thaniparambil House, pembra, Kozhikode regarding the functioning of Oriental College of teacher education.</p> <p>The complainant had alleged that “though the college has started its functioning four years ago, the management has not started the construction of the new building yet. We know that our batch is the fourth batch of the college. The last 4 years, the college has not provide minimum facilities to the students. The college is now functioning on a rented building. NCTE has given them 3 years time to complete the building work. The construction work has not started yet. We understood that the management of the college has no intention to start the work. So affiliation for this batch from the University has not issued yet. Though the Management has collected huge amounts from the students they are not giving minimum facilities to us and so we complained to the Universities about this. So, we the students of the College requested the NCTE authorities to take necessary action against the management of the College otherwise they will continue the process of admission of next batch and the students of the coming batch will be cheated.”</p> <p>Again, on 1.8.2011, a complaint is received from Sri. Asokan MC, Manager, KET College of Teacher Education, Kokkalloor P.O., Balussery via, Kozhikode, Kerala against the College. The complainant has alleged that “the College has been functioning in a temporary rented building since 2006 October. Though the College started five years ago, the management of the College has no intention to construct the permanent building yet and they are collecting huge amount from the students as fees. Now, the management of the college has given advertisement for admission to 2011-12 batch. NCTE has issued public notice to students informing that not to join such colleges. The College is affiliated to Calicut University. The syndicate meeting of the University held on 3.2.2010 decided to conduct inspection in various B.Ed. colleges for verification of the infrastructure and other facilities available in the B.Ed. Colleges. University has issued notice to them to shift to permanent site at the earliest. But after the verification and inspection the said College was working as usual on a rented building without providing minimum facilities to the students. All other colleges except the said college who got permission from NCTE after 2006 had constructed permanent building as per NCTE norms and reported to the NCTE for inspection.</p> <p>The above said college is violating the rules of NCTE and it is doubted that the University authorities has given them all possible help to run the College. So, we request the Hon’ble Regional Director to conduct an immediate enquiry about the functioning of the said college at the earliest and take necessary action for the violation of the NCTE rules”.</p> <p>On receipt of the complaint, this office has issued a letter to the complainant to submit an affidavit on Rs.100/- non-judicial stamp paper on 29.8.2011. On 5.9.2011, Sri. Ashokan M.C., Manager, KET College of Teacher Education has submitted the complaint on a original affidavit of Rs.100/- stamp paper.</p> <p>Further, again on a complaint is received on 27.10.2011 from Sri. Asokan MC, Manager, KET College of Teacher Education, Kokkalloor P.O., Balussery via, Kozhikode, Kerala against the college on an original affidavit of Rs.100/- stamp paper stating the following:-</p>

“Oriental College of Teacher Education Poonath Po, Naduvannor via APSO No.00807 dated 23.10.2006 is now working on a temporary rented commercial building without providing necessary facilities directed by NCTE and violating the rules of Calicut University and State Government.

I have submitted a complaint (Affidavit) on 2.9.2011 regarding the illegal functioning of the said College, but no action were taken against the College. Now, I would like to submit more details about the College.

1. As I have filed a suit against the illegal functioning of Oriental College of Teacher education, in the High Court of Kerala on 30th August, 2011 the Court directed to the concerned authorities to take appropriate action against my complaint.
2. Calicut University Registrar directed the Management of the College to shift the College to the permanent building on 14.09.2011 and report to them within ten days.

But violating all these orders, the College is now working in the same temporary building and they have no intention to construct the permanent building. The Management has started admission for 2011-12 Batch(fifth batch). So I humbly request to take action against the illegal functioning of the College at the earliest to avoid cheating of the students.”

As per the decision of SRC, rejection order was issued to the institution on 09.07.2012.

Aggrieved by the rejection order of SRC, the institution preferred an appeal to NCTE, Hqrs and the Appellate Authority vide order no. F.No.89-410/2012Appeal/8th meeting -2012 has stated that "...the council concluded that there was no ground to accept the appeal. Accordingly, the appeal is rejected and SRC order dated 09.07.2012 is confirmed".

The institution has submitted its written representation on 18.10.2012, along with judgment copy of High Court of Andhra Pradesh in Writ Petition No.31513 of 2012 dated 09.10.2012. The judgment order stated as follows:-

"The impugned orders of the respondents are set aside. Respondent No.2 is directed to reconsider the petitioners application and grant recognition to them for commencement of the D.El.Ed course from the academic year 2012-13 subject to their fulfillment of all other requirements as per the Regulations".

The matter was placed before SRC in its 235th meeting held on 20th-21st November 2012, and it has decided to process the application.

In the meanwhile, the institution has submitted its written representation on 15.11.2012.

The SRC in its 236th Meeting held on 16th-17th December, 2012 considered the Hon'ble High Court order dt. 09-10-2012, reply of the institution vide letter dt. 15.11.2012 and all the relevant documentary evidences and it was decided to serve Show cause Notice under section 14 (1) of NCTE Act.

Show cause notice was issued to the institution on 22/01/2013. As per the website information the institution has submitted written representation on 22/01/2013.

The reply of the institution to the show cause notice was duly considered by SRC in its 241st Meeting held on 29th-31st March & 01st April, 2013 and the reply is unconvincing and not satisfactory, deficiencies still persist as under:

1. Total earmarked area for the proposed course is not given in the building plan and total site area is mentioned in the building plan as 910.87 sq.mtrs. which is less than the requirement of 2500 sq.mtrs as per NCTE 2009 norms. Total built up area of 1506.48 sq.mtrs is also not adequate as per NCTE 2009 regulations. There is a discrepancy inland area.
2. Approved blue print of the building plan issued by competent civil authority is not submitted. Building plan approved by Sarpanch of the village, which's not permissible.

Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the Committee has decided as per NCTE Regulations 2009, to reject the application of the institution for recognition of D.Ed course.

Accordingly, a rejection order was issued to the institution vide no. F.No.SRCAPP668/D.Ed/AP/2013-14/51790 dated 18.05.2013.

Aggrieved by the rejection order of SRC, the institution preferred an appeal to NCTE-Hqrs vide order no. F.No.89-378/2013-Appeal/14th Meeting-2013 dated 30.10.2013 stating that “... the council concluded that the appeal deserved to be remanded to SRC, with a direction to ask the appellant institution to deposit the inspection fee within 15 days and after receipt of the same the SRC should conduct inspection within 45 days and take further action as per the Regulation. During the proposed inspection the Visiting team should obtain authentic and relevant documents.

NOW THEREFORE, the Council hereby remands back the case of Sri Sai Balaji College of Elementary Education, Srikakulam, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above.

The SRC in its 255th meeting held on 13th-15th November, 2013 considered the appellate authority order dated 30.10.2013 and decided to process the application.

As per the decision of SRC, the application was processed and placed before SRC in 256th meeting held on 4th to 6th December, 2013 and the Committee considered the matter, reviewed and found no valid building plan claimed as in the appeal with the appellate authority to have been already submitted. Therefore the application is rejected.

Accordingly, rejection order was issued to the institution on 24.12.2013.

Meantime, a court order has been received from the Hon'ble High Court of Andhra Pradesh in W.P. No. 38960 dated 2013. The Hon'ble Court has stating that “.....it is the case of the petitioners that contrary to the order of the appellate authority dated 20.10.2013, the second respondent has passed the impugned order dated 24.12.2013 without calling upon the petitioners to deposit the inspection fee, and without conducting any inspection whatsoever.

Sri. K. Ramakanth Reddy, Learned Standing Counsel for NCTE, would fairly state that the order of the second respondent falls foul of the order passed by the first respondent dated 30.10.2013.

In view of the submissions made by the Learned Standing Counsel, I consider it appropriate to set aside the impugned order; permit the petitioners to deposit the inspection fee within one week from today; direct the second respondent to have an inspection caused within three weeks from the date on which the petitioners deposit the inspection fee; and pass an order thereafter at the earliest, in any event not later than one month from the date on which the petitioners deposit the inspection fee.

The writ petition stands disposed of accordingly. The miscellaneous petitions pending, if any, shall also stand disposed of. There shall be no order as to costs.”

The institution in its letter dated 7.1.2014 has submitted D.D.of Rs. 50,000/- as an inspection fee.

The SRC considered the Hon'ble High Court of Andhra Pradesh order and all the relevant documents by the institution and decided **to cause inspection** at the premises Under Section 14 of NCTE Act to examine whether the institution fulfils all the requirements as per the norms, for the proposed programme, subject to the condition that the deficiencies, if any, were duly rectified by the institution, as per the norms.

	<p>As per the decision of 259th meeting held on 17th – 19th Jan, 2014, notice was served to the institution for persona hearing in the 260th meeting.</p> <p>Accordingly, the representative of the said institution has appeared and was given personal hearing. The Committee, thereafter, heard the party and advised the institution to give a written submission of their presentation. The institution has submitted written representation. The Committee asked SRO to give signed photocopy of representation as acknowledgement for putting up in the file.</p>

institution vide letter dt. 24.09.2012 to the deficiency letter and all the relevant documentary evidences and it was decided to serve Show cause Notice under NCTE Act, for the following:

- 1) In the building plan submitted, Sy.No. and land area & built up area is not mentioned.
- 2) In the building completion certificate and land usage certificate sy.No. 43/A/2 & 43/A/1 is mentioned, which are not tallying with land document, building plan submitted.
- 3) Notarised land usage certificate from the Revenue divisional office stating that the agriculture land converted to non-agriculture for the educational purpose is not submitted.
- 4) Original Up-to-date encumbrance certificate issued by sub-registrar is not submitted.
- 5) The management is running "Srinivasa Pharmaceutical Institute" in the same building/premises where the proposed course is located, which is not permissible as per NCTE norms.

Accordingly Show Cause Notice was issued to the institution on 19.11.2012. The institution has submitted its written representation dt. 20.11.2012 received in the office of SRC on 21.11.2012.

The SRC in its 236th meeting held on 16-18th December 2012 considered the reply of the institution dt.21.11.2012 and all other relevant documents and decided to cause inspection under section 14 (1) of NCTE Act, to examine whether the institution fulfils all the requirements as per the norms, for the proposed programme, subject to the condition that the deficiencies, if any, were duly rectified by the institution, as per the norms.

The inspection of the institution was fixed between 15th-19th January 2013. The same was intimated to the institution on 08.01.2013. The inspection was conducted on 17.01.2013. The VT report was received by SRC on 21.01.2013.

The SRC in its 241st meeting held on 30-31st April 2013 considered the VT report, VCD and all the relevant documentary evidences and it was decided to serve Show cause Notice under Section 14 (1) of NCTE Act, for the following:

1. The Institution has not submitted Re-validated FDRs, since the FDRs of Rs. 5 lacs and 3 lacs expired on 28.09.2012 & 28.09.2012 respectively.
2. As per Land document, mentioned Sy.No. 43/Telugu letters, but in Building plan, Building completion certificate, Land usage certificate, the Sy.Nos are given as 43/A/1 and 43/A/2, which needs clarification from the institution.

Proceedings of Revenue Divisional Officer not submitted for conversion of land from agricultural to educational purposes. The institution has submitted for Commercial purpose not for Educational purpose.

In the meanwhile, the institution has submitted in its written representation on 08.05.2013 (with reference to website minutes of 241st meeting of SRC).

The reply of the institution was duly considered by SRC in its 245th meeting held

on 19th-21st May 2013, and the reply is unconvincing and not satisfactory, deficiencies still persist as under:

- The Sy.Nos. are discrepant in land documents and other documents submitted. As per Land document, mentioned Sy.No. 43/Telugu letters, but in Building plan, Building completion certificate, Land usage certificate, the Sy.Nos are given as 43/A/1 and 43/A/2.
- The institution has submitted land usage certificate dt. 23.11.2006 with Sy.No. 43/AA, whereas another land usage certificate dt. 06.05.2013 reflects Sy.No. 43/A/1 & 43/A/2.
- Land usage certificate specifies only 'commercial' use and not for 'educational purpose'.

Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the committee decided as per NCTE Regulations 2009, to refuse and reject the application of the institution for recognition of D.Ed. course.

Accordingly, a rejection order was issued to the institution vide No.F.No.SRCAPP975/D.Ed/AP/2013-14/52366 dated 20.06.2013.

“after perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the council concluded that the appeal deserves to be remanded to SRC with a direction to process the application and to take the further decision thereafter.

The council hereby remands back the case of Chenna Keshava College of Education, Rangareddi, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above”.

The SRC in its 257th meeting held on 20th-22nd December 2013, considered the appellate authority order dated 13.11.2013 and it has decided to process the application.

On careful perusal of the original file of the institution, Appellate authority order to process the application and other related documents, Act of NCTE, 1993, Regulations and guidelines of NCTE published from time to time laid on the table, the Regional Committee in its 258th meeting held on 3-5th Jan, 2014 decided to issue Letter of Intent for grant of recognition to D.Ed course of two years duration with an annual intake of 50(Fifty only)(one unit), subject to the appointment of qualified staff through duly constituted selection committee as per the Norms of NCTE/State Government/Affiliating University and be given effect before the commencement of the academic session.

The SRC in its 240th meeting held on 09th-11th March, 2013 reviewed the duly scrutinized above new application received by Southern Regional Office, NCTE for the Session 2013-14. Accordingly, the above application, which suffer from basic infirmities, is **summarily rejected** as per 7 (1-A (i)) of NCTE Regulations 2009.

Accordingly, rejection letter was issued to the institution on 10.05.2013.

SRC, NCTE is in receipt of letter dt. 17.06.2013 alongwith court notice dt. 11.06.2013 in the Hon'ble High Court of Judicature at Madras in W.P. No. 15288 of 2013 and has stated that " take notice that the WP.No. 15288 of 2013 is set down for hearing on 19.06.2013 for orders as to admission.

Notice of Motion returnable by 19.06.2013 has been ordered on 07.06.2013".

In the meantime, SRC, NCTE has received Email on 20.06.2013 from Advocate, Shri.Ramakrishna Reddy and has stated that,

" the demand draft is obtained on 27.12.2012 itself and the same also reflected in the online print out the Court is of the view that the said bonafide mistake of not directly sending to NCTE and opting to go to ICICI Bank for remittance may be reconsidered. I have taken time to get instructions from you.

Please advise me regarding the above matter so as to enable me to address the Court".

The SRC in its 247th meeting held on 20th – 22nd June, 2013 considered the letter (E-mail) dt.20.06.2013 from the Advocate and noted the matter, further, it is decided that when the notice is received from the Hon'ble Court, the lawyer to the asked to defend the case. It is to be noted here that date of deposit in the Bank is not relevant; date of delivery of D/D to NCTE is material.

Accordingly, a letter was sent to the advocate on 28.06.2013.

The Hon'ble High Court of Judicature at Madras in W.P. no. 15288 of 2013 and MP No.1 of 2013 dtd. 15.07.2013 reads as under:-

“.....The petitioner submitted an on line application on 28.12.2012 requesting the respondent to grant permission to Start B.Ed course with effect from the academic year 2013-2014 by issuing appropriate orders of recognition. The petitioner has taken the demand draft on 27.12.2012 itself and the same was sent to the respondent along with the application.

The application was rejected only on the ground that the prescribed fee was not remitted on the date on which the application was made. The reasoning given by the respondent for rejection appears to be incorrect in view of the purchase of demand draft one day prior to the submission of application. The only requirement is that along with the application, necessary fee also should be remitted. There is no prohibition for taking the demand draft one day prior to the submission for taking the demand draft one day prior to the submission of application. The petitioner complied with the requirement of the statute in its letter and spirit and as such, the respondent was not justified in rejecting the application. The impugned order is accordingly set aside and the matter is remitted for fresh consideration.

The respondent (The Regional Director, NCTE, Bangalore) is directed to consider and dispose of the application submitted by the petitioner for recognition merits and as per law taking into account the demand draft dated 27.12.2012 taken for the purpose of payment of required fee. The writ petition is allowed to the extent indicated above. No costs. Consequently, connected miscellaneous petition is closed”.

The above matter was placed before SRC in its 251st Meeting held on 25th -27th August, 2013 and the committee decided to Process the application. Accordingly, the application was scrutinized and a deficiency letter along with State Government Recommendation letter was issued to the institution on **30.09.2013**.

Now the institution has replied to the deficiency letter on **28.11.2013**.

The SRC in its 258th meeting held on 03-05th January, 2014 considered the matter, reply of the institution to the deficiency letter dated 28/11/2013, and all other relevant documents and decided to cause inspection under section 14 (1) of NCTE Act, to examine whether the institution fulfils all the requirements as per the norms, for the proposed programme, subject to the condition that the deficiencies, if any, were duly rectified by the institution, as per the norms.

Further, the Committee advised Southern Regional Office should place the VT inspection report in the 260th meeting.

The inspection of the institution was fixed between 16/01/2014 to 22.01.2014. The same was intimated to the institution on 07/01/2014.

In the meantime the institution vide its letter dated 21.01.2014 stated
