The prayer for quashing of notice does not arise, since it was of the year 2009. is unconvincing and not satisfactory, deficiencies still persist.

- As seen from VCD, some portion of the building is covered with Asbestos sheets, which is not permissible as per NCTE Regulations 2009.

8 (10) of Regulations 2009 says:

“At the time of inspection, the building of the institution shall be complete in the form of a permanent structure on the land possessed by the institution in terms of sub-regulation (7) of Regulation 8, equipped with all necessary amenities and fulfilling all such requirements as prescribed in the norms and standards. The applicant institution shall produce the original completion certificate issued by the competent Government Authority or local body authority, approved building plan in proof of the completion of building and built up area and other documents to the visiting team for verification. No temporary structure or asbestos roofing shall be allowed in the institution, even if it is in addition to the prescribed built up area”.

Under the above grounds and with reference to the totality information collected & based on a collective application of mind, the committee has decided as per NCTE Regulations 2009, to refuse and reject the application of the institution for recognition of D.El.Ed course.

Accordingly, a rejection order was issued to the institution on 27/07/2012.

Aggrieved by the rejection order of SRC the institution preferred an appeal to NCTE-Hqrs and the appellate authority in its order No. F.No. 89-636/2012Appeal/11th Meeting – 2012 dated 03/01/2013 stated that *“...the council concluded that there was adequate ground to accept the appeal. The appeal is accepted and the matter is remand to the SRC for further processing as per the Regulations”.*

The SRC in its 240th Meeting held on 09th – 11th March, 2013 considered the Appellate authority order dt. 03/01/2013 and decided to further process the application of the said institution as per NCTE Regulations.

As per the decision of SRC the application was processed and placed before SRC in its 244th meeting held on 9th-11th May 2013, and the committee has decided to re-submit along with the B.Ed case.

As per the direction of SRC, the comparative statement of B.Ed & D.Ed file was placed before SRC in its 245th Meeting held on 19th-21st May, 2013 and the committee considered the matter and all other relevant documents of the institution, and decided to reject the application for the following deficiencies:

- The society that get the land from the Andhra Pradesh Government and the society sponsoring the two – B.Ed & D.Ed colleges are different.
- The society that got the land from the Andhra Pradesh Government does not have the power to transfer title (freehold or lease hold) to the two colleges.

Regulations 8 (7) (iv) of NCTE Regulations 2009 requires that within 6 months title must be transferred to the institution. This Regulation cannot be fulfilled in this case.

		<p>Accordingly, a rejection order was issued to the institution vide no. F.No.SRCAPP507/D.Ed/AP/2013-14/52367 dated 20.06.2013.</p> <p>Aggrieved by the rejection order of SRC, the institution preferred an appeal to NCTE-Hqrs the appellate authority order no. F.No. 89-570/2013 Appeal/17th Meeting -2013 A 80748 dated 17.01.2014 stating that “... the council concluded that the appeal deserves to be remanded to SRC with a direction to process further as per the Regulations.</p> <p><i>NOW THEREFORE, the council hereby remands back the case of Sri YN College of Elementary Education, West Godavari, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above”.</i></p> <p>The Committee in its 260th meeting held on 29-31st Jan, 2041 considered the Appellate authority order dated 17-01-2014 and decided to further process the application as per regulations.</p> <p>The Committee considered the Appellate authority order dated 17/01/2014 and all the relevant documentary evidences and it was decided to serve Show cause Notice under Section 14 of NCTE Act for the following:</p> <ul style="list-style-type: none"> • As per Building Completion Certificate dated 28/10/2011 issued by the Dy. Executive Engineer, Narasapur Municipality, in Block 5, Ground floor and First floors area of 11,024.46 sq.ft roofing is covered with RCC & Asbestos sheet, <p>As per NCTE regulations 2009, Asbestos sheet roofing is not permissible.</p> <p>In view of the above, the Committee decided to issue a Show cause Notice to the institution as to why the recognition be not withdrawn and thereby providing an opportunity to the institution to make a <u>written representation within 21 days from the date of receipt of the Notice along with necessary certificates/documents in order to take a final decision in the matter; failing which action will be taken including the rejection of application, based on the records available with no further notice.</u></p>

On 13th March, 2013, State Government addressed a letter to the NCTE stating that deficiencies pointed by NCTE were complied with by the college. NOW THE COURT WANTS TO KNOW BY TOMORROW 2:15 PM AS TO WHETHER THE NCTE CONSIDERED THE STATE GOVERNMENT RECOMMENDATION WHICH STATED THAT DEFICIENCIES WERE COMPLIED BY THE COLLEGE”.</p> <p>Accordingly, a letter was sent to the advocate on 05.08.2013.</p> <p>Meantime, a letter dated 5th August, 2013 has been received from the advocate,</p>

Shri. K. Ramakanth Reddy stating as follows; “.....writ petition in W.P. No. 22725 of 2013, filed by Krishnaveni College of Physical Education, was heard by the Hon'ble High Court of Andhra Pradesh at 10:30 a.m. on 5.8.2013. The Hon'ble High Court after hearing the matter directed the NCTE to reconsider the case of the petitioner after considering the recommendations of the State Government within four weeks for the academic year 2013-2014, while granting time to NCTE to file counter affidavit.

I am of the considered opinion that though the recommendations of the State Government were considered earlier, the SRC of NCTE can again reconsider the case of the petitioner in the light of the recommendations of the State Government already considered and pass appropriate orders. If the SRC of NCTE feels that the recognition cannot be given, the SRC of NCTE can reject the same again. It can also be stated in the rejection order about the cut-off date fixed by the Hon'ble Supreme Court, if the cut-off date is applicable in this case also. If the SRC again resolves to reject, it should be stated in the rejection order that the State Government recommendations have been considered. Thus all aspects can be covered again while reconsidering the case instead of filing vacate stay petition/appeal in the matter.

The matter may be placed in the immediate next meeting of the SRC-NCTE to avoid contempt of court and legal complications.

The SRC in its 250th meeting held on 11th-13th August 2013, considered the matter and decided to review the earlier decision and considered the State Government letter and the enclosed report. Further decided that since the Building Plan is not approved by the competent authority the case is rejected.

The court order (interim order) received from the High Court of Andhra Pradesh in WPMP.No.27859 of 2013 in WP.No.22725 of 2013 dated 05.08.2013 received by SRC on 19.08.2013 stated as follows:-

“the State Government has made its recommendations vouching for the infrastructural facilities put in by the petitioners. Therefore, it is only appropriate that Respondents 1 and 2 shall reconsider the case of the petitioners afresh in the light of the report submitted by the State Government and take an appropriate decision for grant of recognition to the institution established by the 1st petitioner herein for commencing the Bachelor of Physical Education Course for the academic year 2013-14 at the earliest, at any rate, within a fortnight's time from the date of receipt of a copy of this order and communicate its decision to the petitioners.

Sri.K.Ramakanth Reddy, learned Standing Counsel for Respondents 1 and 2 seeks two weeks' time for securing instructions in the matter.

Post after two weeks.”

The NCTE H-qrs in its letter dated 12.09.2013 received by SRC on 09.10.2013 stated as follows:-

“...after perusal of the Hon'ble High Court order dated 05.08.2013 it is seen that the Hon'ble High Court directed to reconsider the case of the petitioners afresh in the light of the report submitted by the State Govt. and take an appropriate decision for grant of recognition to the institution established by the 1st petitioner herein for commencing the Bachelor of Physical Education course for the academic year 2013-14 at the earliest from the date of receipt of copy of this order.

I once again request you to place the matter before the SRC at the earliest as the approved building plan issued by the competent authority is already submitted and the original FDRs submitted by us are still with you at the earliest".</i></p> <p>A letter sent to the Advocate through e-mail dated 05.02.2014 requesting for latest status of the above said case. In reply the advocate has stating as follows:- "please go through the file and please let me know whether any thing is left in the case. -----	--	---

December, 2013 the same was intimated to the institution on 04.11.2013. The inspection of the institution was conducted on 27.12.2013 and the VT Report received in the office of SRC on 01.01.2014.

The Committee considered the matter, VT report, VCD and all other relevant documents of the institution, decided that:

On scrutiny of the applications submitted by the institution, it was observed that the same society had applied on-line dated 30/09/2011 for D.Ed course (SRCAPP1476) is in process and the matter is pending in High Court.

The Same Society has applied again for D.Ed course (SRCAPP82) on-line dated 31/12/2012.

In terms of regulations no.8.3 of Regulations 2009, the institution could not have applied again, after their application dated 30/09/2011, before completion of 3 academic years.

8. 3. of regulations 2009 reads “An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognised course after completion of three academic sessions of the respective course, for which the institution shall submit application before the cut off date prescribed for submission of applications in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300”.

Since the earlier case is pending in the Court, the second application should not have been entertained when its was received, decided to close this case (SRCAPP82)-B.Ed.

Mean while, the institution referring to the minutes of the SRC, which is available in the website of NCTE, it has submitted a letter dated 10.02.2014 stating as follows:

“with reference to the above this is to inform that our society had applied for grant of recognition for D.Ed course on 30.09.2011 (APP1476), but unfortunately our said application was rejected by SRC NCTE. Aggrieved by the decision of SRC, we preferred an appeal to the appellate authority (NCTE Hqrs) on 12.03.2013 which was also been rejected by appellate authority and confirm the decision of SRC. Hence we had in other option but approach the Honorable High Court of Andhra Pradesh for justice, the matter is pending till date.

Since the matter is in the Honourable High Court of Andhra Pradesh and anticipating the delay in disposal of Court case we made fresh application on 31.12.2012, but to our utter surprise the SRC NCTE rejected our application by stating the following reasons.

“In terms of regulations no.8.3 of Regulations 2009, the institution could not have applied again, after their application dated 30/09/2011, before completion of 3 academic years.

7.3. of regulations 2009 reads “An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognised course after completion of three academic sessions of the respective course, for which the institution shall submit application before the cut off date

		<p>prescribed for submission of applications in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300”.</p> <p>In this regard we would like to invite your kind attention that our earlier application never granted recognition. The Above said regulation does not applicable for our institution.</p> <p>The above said regulation is applicable only for the existing recognition course/institution. However, in case our present application (SRCAPP82) consider by SRCNCTE. The SRC in its 235th Meeting held on 21st – 22nd November, 2012 considered the reply of the institution vide letter dt. 02.11.2012 and all the relevant documentary evidences and it was decided to serve Show cause Notice under section 14 (1) of NCTE Act.

Accordingly, a show cause notice was issued to the institution on 19/12/2012. The institution has submitted written representation on 07/01/2013,

The reply of the institution was placed before SRC in its 240th meeting held on 9th-11th March 2013, considered the reply of the institution vide letter dt. 07.01.2012 and all the relevant documentary evidences and it was decided to serve Show cause Notice under section 14 of NCTE Act, for the following:

- As per the on-line application, the institution has applied for D.E.C.Ed – AI course. No D.E.C.Ed course is offered anywhere in the Andhra Pradesh region. The institution without applying for basic unit of D.E.C.Ed course (No where in the region this course is offered) has directly applied for D.E.C.Ed – AI Course.
- The institution in their reply vide letter dt. 07/01/2013 has requested in point NO. 9 to grant recognition to Additional intake, which is not permissible as per NCTE Regulations 2009, as the institution has not applied for basic course D.E.C.Ed (No where in the region this course is offered).
- The institution kept silent at the time of rejection and on receipt of rejection order wherein the course name is inadvertently mentioned by this office as D.El.Ed-AI instead of D.E.C.Ed-AI, even though the institution is well aware of the fact they applied for D.E.C.Ed-AI course for the session 2012-13 instead of D.El.Ed – AI course. Further, the institution has not brought this fact to the Hon'ble Court and kept the Court in dark.

As per 8 (2) & (3) Condition for grant of recognition of NCTE Regulations 2009, which states:

(2) In the first instance, an institution shall be considered for grant of recognition of only one course for the basic unit as prescribed in the norms and standards for the particular teacher education programme.

(3) An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognised course after completion of three academic sessions of the respective course, for which the institution shall submit application before the cut off date prescribed for submission of applications in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300.

Accordingly, a show cause notice was issued to the institution on 19.04.2013. The institution submitted its written representation on 06.05.2013.

The SRC in its 245th Meeting held on 19th-31st May, 2013 considered the matter and reply of the institution vide letter dt. 06.05.2013 to the show cause notice issued. The reply of the institution is not convincing and unsatisfactory:

“The institution applied as per on-line application for D.E.C.Ed-AI course only for the session 2012-13. In the first instance the institution is not having D.E.C.Ed basic unit and cannot apply for Additional course of D.E.C.Ed as per 8 (2) & (3) of NCTE Regulations 2009. In fact, D.E.C.Ed course is not offered anywhere in the region of Andhra Pradesh.

Based on the above, the committee decided that the question of considering this application does not, therefore, arise.”

As per the decision of SRC a letter to the institution sent on 20/06/2013.

Accordingly, a letter was sent to Advocate on 12.07.2013 and 29.07.2013 along with brief of the case

In the meantime, Hon’ble Court of Andhra Pradesh in W.P.No.19832 of 2013 dated 29.07.2013 received by SRC on 28.08.2013, court order as stated below:-

“.....this court would have directed respondent No.4 to sanction the additional seats in D.El.Ed course for the academic year 2012-13, but it has come out at the hearing that the said academic year 2012-13 has come to an end and even the academic year 2013-14 has already been commenced. In these facts and circumstances, interests of justice would be met if respondent No.4 treats the petitioners’ application dated 29.09.2011 as an application made for admission into D.El.Ed course for the academic year 2014-15 and process the same and complete the process in accordance with the extant rules within a period of three (3) months from the date of receipt of this order The writ petition is, accordingly, allowed to the extent indicated above. As a sequel to allowing the writ petition, WP.MP.Nos.24311 and 24312 of 2013 filed by the petitioners for **interim relief shall stand disposed of as infructuous**”.

The SRC in its 252nd meeting held on 13th-14th September 2013, the committee considered the matter and decided to process the case accordingly.

The direction of the Hon’ble High Court in their order dated 29/07/2013, to process the application of the said institution and all other relevant documents of the institution was duly considered by SRC in its 243rd meeting held on 30th September, and 1st October, 2013 and the deficiencies still persist as under:

- Title deed suffers from basic infirmity because of excessive alterations in the name of ‘amendment’.
- Notarised land usage certificate from the Revenue divisional office stating that the agriculture land converted to non-agriculture for the educational purpose in the proper format is not submitted. Proceedings of Revenue Divisional Officer not submitted for conversion **of land from agricultural to educational purposes**.

Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the committee decided as per NCTE Regulations 2009, to reject the application of the institution for recognition of D.Ed.-

	<p>AI course.</p> <p>Accordingly, a rejection was issued to the institution on 25.11.2013.</p> <p>A written representation submitted on 14.2.2014 along with the court order, in W.P.M.P.No 48045 of 2013 in W.P. No. 38655 of 2013 in the Hon'ble High Court of Andhra Pradesh. The Hon'ble High Court has ordered as follows; "The National Council for Teacher Education has taken up the application submitted by the 2nd petitioner herein. Accordingly, the Southern Regional Committee at its 253rd meeting held on 30.9.2013 and 1.10.2013 noted that two deficiencies are persisting in the case. The 1st related to the title deed and the 2nd related to not furnishing the land use certificate from the Revenue Divisional Officer setting out that the agricultural land converted into non-agricultural purpose is allowable to be used for educational purpose.</p> <p>Learned counsel for the petitioners has pointed out that a learned Single Judge of this Court in "K. Satyananda Patnaik and others. V. Hyderabad Urban Development Authority" reported in 2010(5) ALT 453 held that the A.P Agricultural Land (Conversion for Non-Agricultural Purposes) Act, 2006 does not get attracted at all to such lands which ceased to be used for agricultural purposes prior to the enactment.</p> <p>In the instant case, it is asserted by the petitioners that pursuant to a permission granted by the National Council for Teacher Education on 4.4.2003, the college of Education imparting B.Ed course was run at the same premises. Thus, prior to the 2006 Act referred to supra the land in question has ceased to be used for agricultural purposes and hence the Revenue Divisional Officer cannot have any power to certify about the land usage.</p> <p>With regard to the first objection is concerned, the learned counsel for the petitioners has pointedly drawn my attention to a registered gift deed executed on 16.3.1999, gifting the land in question in favour of Sri Gourishetty Surender, S/oTirupathi. The donor was none other than the father of the said Gourisheety Surender, but however when it was pointed out that land is standing in the name of an individual, but not in the name of any society, an appropriate amendment to the original gift deed has been secured. The amended gift deed was executed on 12.1.2012 by the original donor namely Gourishetty Thirupathi in favour of Karimnagar Education Society, the 2nd petitioner herein. Therefore, by virtue of this amended gift deed, which is also registered, the land in question is now held and is standing in the name of 2nd petitioner-society. Therefore, the impugned order passed by the Southern Regional Committee of the National Council for Teacher Education rejecting the application of the 1st petitioner-College of Education is prima-facie unsustainable. Hence, the operation of the order bearing No. SRO/SRCAPP1073/D.Ed-AI/AP/2013-14 dated 25.11.2013 is suspended, so that the Southern Regional Committee can take up for consideration afresh the application without unduly worrying about the two objections raised by it in the impugned order".</p> <p>The Committee considered Hon'ble High Court of Andhra Pradesh order, all other relevant documents and decided to <u>cause inspection</u> under section 14 (1) of NCTE Act, to examine whether the institution fulfils all the requirements as per the norms, for the proposed programme, subject to the condition that the deficiencies, if any, were duly rectified by the institution, as per the norms.</p>

Subject to the above directions, this writ petition is disposed of.

The institution also preferred an appeal to NCTE H.Qtrs and the appellate authority in its order dt. 22.02.2013 stating as follows:-

“the committee noted that the Letter of Intent was issued for the next academic year as per the extent Regulations. Further, the formal recognition of the institution would be taken up only after the conditions in the Letter of Intent are fulfilled. Therefore, neither the Letter of Intent nor recognition can be issued for the academic year 2012-13. If such cases are considered favorably, this would lead to a large number of cases requesting for relaxation and the implementation of the provisions of the Regulations would be impossible.

The Committee after considering all the facts and noting all the provisions decided not to grant any relaxation to the applicant society namely Gokul Educational Society, Munugode By Pass Road, Nalgonda Village, Post & Taluk Nalgonda District, AP-508001.”

If there is any difficulty in getting it done, issue Formal Recognition for 2012-2013, without prejudice to our right to plead our cause separately, as directed by the High Court.”

(Copy of the complaint to be sent to the institution).</p> <p>Accordingly, a letter was sent to the institution vide F.SRO/NCTE.APSO 0621/2011-12/39216 dated 14/03/2012 seeking comments of the institution on the complaint.</p> <p>On 26/03/2012, the Principal, Dr. Ambedkar College of Education has submitted a reply to the complaint which states</p> <p>“Sir, first of all I say that it is a baseless complaint. Some anti-educational persons started to write speculation letters against our institution in the name of student’s union Chairman and teacher trainees and it is a baseless and nameless complaint. We never violated the rules and regulations of NCTE and the University. We know the value of education.</p> <p>As concerned to our college, it is the sixth batch completing the B.Ed course from our institution. The NCTE team visited our college on 2004, dated 04/12/2004 and conducted a detailed inspection for infrastructural and instructional facilities and they satisfied. As per the report, the NCTE grants the approval to Dr. Ambedkar College of Education for conducting B.Ed course from 2005-06,APS00621 /FKN /SEC /N/163 /SRO/NCTE/2004-05/909. On other hand expert committee deputed by the Government of Kerala as per the directions of the Hon’ble High Court on 2004 inspected all infrastructural and institutional facilities and granted 100 marks out of 100. Only few institutions got 100 out of 100 marks in the inspection. As per their recommendation, Government of Kerala granted NOC as per the decision of the Hon’ble High Court. The Kannur University team also visited and inspected all the facilities and satisfied with all the facilities. As per the report University granted affiliation in 2005-06. As considering the academic progress, we are keeping a good performance in the result as well as co-curricular activities since 2006.</p> <p>Our student got Kannur University’s First Rank in the B.Ed Degree Examination 2008. Our students participated all these years for University “Kalotsavam” and got many points. In addition to that, we conducted tour programmers, field trips, factory visit fot the students. And conducted Union day, festival day and different clubs inaugurations. Our Natural Science Club students cultivated vegetables and</p>

mushroom. We are conducting sports in every year.

As concerned to the Lab, we have well equipped Psychological Lab, which we established in 2004 by purchasing the equipment's from Agra Psychological Labs, Agra. Language Lab is established from ETNL Labs. As concerned to Technology Lab, we have 20 computers. Physical Science and Biological Lab is sharing with our own Higher Secondary School (Ambedkar Vidyanikethan H.S.S, Periy). We have slide Projector, O.H.P, LCD Projector and Broad band internet facilities available. We have Broad band Internet Connection and now BSNL Officers are visited our institution for providing 30 internet connections as per the norms of U.G.C. all these facilities are clearly visible in our institution.

As concerned to the teaching staff, we have University approved staff members. This year also some persons submitted the complaint by declaring as teacher trainee. They are submitting this complaint from unknown persons. The same complaint is they submitted to the Chief Minister of Kerala, Governor of Kerala Vice Chancellor of the Kannur University etc. But for all these letters we have submitted our reply saying the complaint is baseless. As concerned to our College, it is the sixth batch we are functioning after getting the approval from NCTE from 2005-06 onwards.

As concerned to this complaint, we have a clear idea that this is a baseless complaint. In the academic year 2011-12 the person who elected as students union Chairman was terminated his course on 25/05/2011 by getting placement. We discussed this letter with the last batch students about this baseless complaint. They promised us that they never sent such a complaint. They were satisfied about the facilities. Now they completed their course with good academic result. In this year also some persons submitted the complaint in the name of teacher trainees, Dr. Ambedker College of Education for Chief Minister and University authorities with the same matters. After getting this, our students of this academic year jointly submitted a reply to the Chief Minister and University authorities saying that they never sent such a complaint. Some unknown persons are sending complaints by misusing as teacher trainees. The particular person is not mentioned his name in the complaint. It itself proves that this is a baseless complaint.

So Sir. I may kindly request you that to neglect this baseless and nameless complaint submitted by some mischievous persons those who are against the development of the institutions. I once again promise you that our institution is functioning with all the norms and regulations of the NCTE and norms of University.

So kindly neglect this baseless and nameless complaint.”

-----	--	---

Accordingly, inspection of the institution was fixed between 28th November to 02nd December, 2013 the same was intimated to the institution on 04.11.2013. The inspection of the institution was conducted on 27.12.2013 and the VT Report received in the office of SRC on 01.01.2014.

The Committee in its 259th Meeting held on 17th – 19th January, 2014 considered the matter, VT report, VCD and all other relevant documents of the institution, decided that:

On scrutiny of the applications submitted by the institution, it was observed that the same society had applied on-line dated 30/09/2011 for D.Ed course (SRCAPP1476) is in process and the matter is pending in High Court.

The Same Society has applied again for D.Ed course (SRCAPP82) on-line dated 31/12/2012.

In terms of regulations no.8.3 of Regulations 2009, the institution could not have applied again, after their application dated 30/09/2011, before completion of 3 academic years.

8. 3. of regulations 2009 reads “An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognised course after completion of three academic sessions of the respective course, for which the institution shall submit application before the cut off date prescribed for submission of applications in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300”.

Since the earlier case is pending in the Court, the second application should not have been entertained when its was received, **decided to close this case** (SRCAPP82)-B.Ed.

Mean while, the institution referring to the minutes of the SRC, which is available in the website of NCTE, it has submitted a letter dated 10.02.2014 stating as follows:

“With reference to the above this is to inform that our society had applied for grant of recognition for D.Ed course on 30.09.2011 (APP1476), but unfortunately our said application was rejected by SRC NCTE, Aggrieved by the decision fo SRC, we preferred an appeal to the appellate authority (NCTE Hqrs) on 12.03.2013 which was also been rejected by appellate authority and confirm the decision fo SRC. Hence we had n other option but approach the Honorable High Court of Andhra Pradesh for justice, the matter is pending till date.

Since the matter is in the Honorable High Court of Andhra Pradesh and anticipating the delay in disposal of Court case we made fresh application on 31.12.2012, but to our utter surprise the SRC NCTE rejected our application by stating the following reason.

“In terms of regulations no. 8.3 of Regulations 2009, the institution could not have applied again, after their application dated 30/09/2011, before completion of 3 academic years.

		<p>8.3. of regulations 2009 reads “An institution can apply for one basic unit only of an additional course or for an additional unit of the existing recognition course after completion of three academic session of the respective course, for which the institution shall Submit application before the cut off date prescribed for submission of application in the year succeeding the completion of three academic sessions. Maximum intake capacity of an institution taking into consideration of all courses, along with additional intake, in any case, shall not exceed 300”</p> <p><i>In this regard we would like to invite your kind attention that our earlier application never granted recognition. The Above said regulation does not applicable for our institution.</i></p> <p><i>The above said regulation is applicable only for the existing recognition course / institution.</i></p> <p><i>However, in case our present application (SRCAPP82) consider by SRCNCTE.
