The land free from all encumbrances could be either on ownership basis or on lease from Government or Government institutions for a period of not less than 30 years. In cases where under relevant State or Union Territory laws the maximum permissible lease period is less than 30 years, the State Government or Union Territory Administration law shall prevail. However, no building shall be taken on lease for running any teacher training course.

In this application the following has been observed:

- On-line application was submitted on 28.12.2012 and challan was remitted on 29.12.2012. Hence, the society has not remitted the processing fee as provided under rule 9 of the National Council for Teacher Education Rules, 1997 is not furnished on or before the date of submission of online application, as required under sub-regulation 7(1-A)(i)(a) of NCTE Regulations 2009.

The SRC in its 240th meeting held on 09th-11th March 2013 reviewed the duly scrutinized above new application received by Southern Regional Office, NCTE for the Session 2013-14. Accordingly, the above application, which suffer from basic infirmities, is **summarily rejected** as per 7(1-A (i)) of NCTE Regulations 2009.

Accordingly, rejection letter was issued to the institution on 10.05.2013.

SRC, NCTE is in receipt of letter dt.17.06.2013 alongwith court notice dt.11.06.2013 in the Hon'ble High Court of Judicature at Madras in W.P. No. 15288 of 2013 and has stated that "take notice that the WP.No. 15288 of 2013 is set down for hearing on 19.06.2013 for orders as to admission.

Notice of Motion returnable by 19.06.2013 has been ordered on 07.06.2013".

In the meantime, SRC, NCTE has received Email on 20.06.2013 from Advocate, Shri. Ramakrishna Reddy and has stated that,

" the demand draft is obtained on 27.12.2012 itself and the same also reflected in the online print out the Court is of the view that the said bonafide mistake of not directly sending to NCTE and opting to go to ICICI Bank for remittance may be reconsidered. I have taken time to get instructions from you.

Please advise me regarding the above matter so as to enable me to address the Court".

The SRC in its 247th meeting held on 20th – 22nd June, 2013 considered the letter (E-mail) dt.20.06.2013 from the Advocate and noted the matter, further, it is decided that when the notice is received from the Hon'ble Court, the lawyer to the asked to

defend the case. It is to be noted here that date of deposit in the Bank is not relevant; date of delivery of D/D to NCTE is material.

Accordingly, a letter was sent to the advocate on 28.06.2013.

The Hon'ble High Court of Judicature at Madras in W.P. no. 15288 of 2013 and MP No.1 of 2013 dtd. 15.07.2013 reads as under:-

“.....The petitioner submitted an on line application on 28.12.2012 requesting the respondent to grant permission to Start B.Ed course with effect from the academic year 2013-2014 by issuing appropriate orders of recognition. The petitioner has taken the demand draft on 27.12.2012 itself and the same was sent to the respondent along with the application.

The application was rejected only on the ground that the prescribed fee was not remitted on the date on which the application was made. The reasoning given by the respondent for rejection appears to be incorrect in view of the purchase of demand draft one day prior to the submission of application. The only requirement is that along with the application, necessary fee also should be remitted. There is no prohibition for taking the demand draft one day prior to the submission for taking the demand draft one day prior to the submission of application. The petitioner complied with the requirement of the statute in its letter and spirit and as such, the respondent was not justified in rejecting the application. The impugned order is accordingly set aside and the matter is remitted for fresh consideration.

The respondent (The Regional Director, NCTE, Bangalore) is directed to consider and dispose of the application submitted by the petitioner for recognition merits and as per law taking into account the demand draft dated 27.12.2012 taken for the purpose of payment of required fee.

The writ petition is allowed to the extent indicated above. No costs. Consequently, connected miscellaneous petition is closed”.
