130.	SRCAP P924	D.El.Ed	Sri Gowthami D.Ed College, Prakasam, Andhra Pradesh	AP	1.In compliance of the Court order, the case is reconsidered. 2.The logic behind the 2014 Regulations has obviously not been understood by the institution. Comparison with B.Ed is not correct. In B.Ed the existing strength of 100 students has been split into 2 basic units of 50. In D.Ed., the original strength was only 50, now; an additional unit of 50 has become permissible. But, that will call for additional investments to create additional infrastructural and instructional facilities. This will need to be checked and confirmed. Also, introduction of an additional unit increases the supply position thereby upsetting the demand-supply equation. Securing the State Govt's NOC is, therefore, essential. 3.All these require fresh processing in accordance with NCTE notification. Sanction of an additional unit for D.Ed cannot, therefore, be automatic.
