Consideration of Revised order reply, Court case and Show cause notice reply: (Volume- 2)

21.	APS07418	B.Ed	Kavitha Memorial College of Education, Nalgonda, Telangana	TS	<p>This case is needlessly getting complicated. Two issues are involved ;</p> <p>(i) Change of management; and, (ii) permission to shift.</p> <p>We have been insisting on completion of formalities relating to (i) because permission to shift can be issued only thereafter since the title to properties at the new site belongs to the new society</p> <p>Instructions issued by the NCTE(HQ) clearly stipulate that RCs should obtain the following documents before permitting change of management : (i) Resolutions of two societies involved (ii) NOC of the Registrar of Societies (of the State Govt. concerned); and,(iii) NOC from the affiliating body .Accordingly, we had issued notice to the applicant.</p> <p>The applicant has now drawn our attention to the Court-order dated 04.08.2016 which specifically directs us not to insist on NOC from the State Government (i.e Registrar of Societies) and the affiliating body. In view of this specific direction from the Court, let us not insist on the instruction received from NCTE(HQ)</p> <p>In the result, and for the reasons given above, permit change of management from Kavitha Memorial Educational Society to Udai Sai Educational Society.</p> <p>Thereafter, for processing further the case for shifting issue a Notice to the new society (with a copy to the old society) for submission of original FDRs in joint account with R.D (SRO) and for the latest approved Faculty List.</p> <p>Keep our lawyer informed for purposes of Court Case.</p>

According to the Supreme Court order , after Notification of the 2014 Regulations, no institution should be allowed to run under the old Regulations. That was why they were required to give an affidavit confirming their willingness to come under the 2014 Regulations. Since it would take time to effect the additions and changes, it was decided to issue RPRO to cover the transition period. Based on the additions and changes made (to conform to the 2014 Regulations), Regional Committees were required to issue ‘Fresh Recognition’ under the 2014 Regulations. The additions and changes made had to be verified on the spot before issue of the FR. The NCTE Rules and Regulations prescribe levy of inspection fee .The demand for ‘inspection fee’ in this case was made accordingly. Unless the ‘fee’ is paid, inspection cannot be conducted ; and, unless inspection is conducted satisfactorily, ‘FR’ cannot be issued.
