262.	SR CAPP2653	D.El.E d-AI	Asifia college of Education, Rangareddy, Telangana	TS	<p>1. The basic issue about delayed submission of NOC has separately been reviewed and decided upon by the SRC. It has been decided to reopen and process applications irrespective of the date of submission of the NOC. There is no decision to consider cases in which NOC has not been submitted at all.</p> <p>2.1. In the light of the Court order, this case is reconsidered.</p> <p>3. It has to be recognized in this context that we have to distinguish between the requirement to submit NOC (which is specifically prescribed by the Regulations) and submission of NOC beyond the time-limit given (which is stipulated by non-statutory executive instructions). The case of Asifia college of Education, Rangareddy, Telangana College falls in the former category and is not, therefore, covered by our decision to reconsider the 'delayed submission of NOC' cases.</p> <p>4. Another point to reckon with here will be about the; minority certificate' being recognized only for eligibility to apply notwithstanding any 'ban' order. In our understanding, it can not interfere with enforcement of norms and standards and conditions of application. The requirement to attach the NOC is an inviolable condition so far as the Regional Committee is considered.</p> <p>5. In the result, and for the reasons given above, we are unable to revise the earlier decision. Our Lawyers in Hyderabad may be advised to appropriately submit our stand in the mater to the Hon'ble High Court of Andhra Pradesh and Telengana.</p>
