Now, the institution has submitted its written representation on 14.01.2016 stated as follows:

“....we refer the Minutes of the 294th meeting on 14th, 15th & 16th November 2015 and also 298th meeting on 8th, 9th & 10th January 2016 conducted at Southern Regional Committee, NCTE has recorded the place of conducting the proposed courses at SASTRA University, Thanjavur.

The Board Members of SASTRA Management, in its meeting held on 12th January 2016, had considered this matter in detail and released that conducting the newly designed programmes by the NCTE in the main campus of SASTRA University at Thanjavur will attract bright students from +2 level to the education sector, rather than at the off-campus due to the following factors.

SASTRA University has been functioning from 1984 at the main campus, originally as an Engineering College known as Shanmugha College of Engineering and in 2001 was granted status as a Deemed University status in recognition of its excellence. The University currently offers various UG,PG &Ph.D programmed in Engineering, Science, Management, Law and Arts, SASTRA is recognized as a Scientific & Industrial Research Organization (SIRO) by the Government of India and is undertaking research for various agencies like DST, DBT, AYUSH, DRDO, DRDL, ISRO, BRNS, etc.

The Government of India has established the Centre for Relevance & Excellence (CORE) in Advances Computing & Information Processing, Centre for Nanotechnology &Advanced Biomaterilas, National Facility in Mechatronics and National Facility for the scientific preparation of Ayurvedic drugs. The Department of AYUSH has also recognized the centre for Advanced Research in Indian System of Medicine (CARISM) as a Centre for Excellence. The Drug Licensing Authority, Government of Tamil Nadu, has certified CARISM as a Drug Testing Lab for Ayurveda and Siddha Drugs.

The Centre for Nanotechnology & Advanced Biomaterils (CeNTAB) is engaged in research in the frontier areas of Nanotechnology. The Nano Mission of the Department of Science & Technology has recognized this Centre for conducting postgraduate

programmes in Medical Nano Technology. During the review conducted by the Nano Mission recently, SASTRA is one among the three institutions that was awarded “excellent” grade in the country. As on date, SASTRA has published 4,000 papers in international reputed SCOPUS indexed journals, out of which, 1015 papers have been published in 2014 and the h-index of this institution is 38. Thirty (30) patents have also been filed by SASTRA and SASTRA is amongst the top 30 institutions in terms of the number of publications in the last six years with a Field Weighted Citation Impact (FWCI) of 1, while the FWCI of many funded Central and State Universities are less than the global average of FWCI of 1. The publication pie-chart shown below indicates the diverse range of research activities pursued by SASTRA University. As on date there are 97 ongoing research projects undertaken by various faculty members and 135 full-time Ph.D. scholars working towards their doctoral thesis.

SASTRA University houses state of the Art facilities including advanced Laboratories, well stocked Library with more than 205548 books including 92530 e-books, campus wide free Wi-Fi on a 1020 Mbps bandwidth, effective technology platforms for teaching-learning, hostels, etc with a total built-up area of over 3 Million sq.ft. providing a congenial atmosphere for teaching, learning, research and consultancy making SASTRA a truly integrated & comprehensive university. The success of SASTRA graduates is evident in their admission to higher studies in renowned universities like Harvard, Stanford, Oxford, Cambridge, Johns Hopkins, University of Michigan, Georgia Tech, Virginia Tech, NUS, NTU, IITs, IISc, etc.

The University also has faculty resource persons, who are adequately competent to create ICT enabled teaching resources, which they have successfully done for MHRD Mission projects like NPTEL, National Pedagogy projects, etc. and for Continuing Education Programmes (CEPS) for outside agencies. This can also be extended to for the proposed teacher education programmes, which will be in alignment with the Digital India initiative of the Government of India.

Under the circumstances, the Management felt that the new programmes of B.A.B.Ed&B.Sc.B.Ed. can be introduced at the main campus itself so as to produce quality teachers to the country as desired by the NCTE at the Main Campus of SASTRA University, Thanjavur itself, as this campus will provide more holistic view of education which is of paramount importance. Hence, we request you to kindly conduct the inspection as SASTRA University, Thanjavur.

SASTRA University is re-accredited (III cycle) by the National Assessment & Accreditation Council (NAAC) with the maximum ‘A’ grade (CGPA: 3.54/4.00) and is ranked number one in Tamilnadu amongst technical universities and 8th in the country amongst the composite universities in the country holding valid NAAC accreditation.

We have been conducting the personal contact programmes of B.Ed. (distance Education Mode) for the past nine years at the main campus of Thanjavur.

The programmes of B.Ed (Face to Face) and 5-year integrated programme of M.Sc., B.Ed. and M.A., B.Ed., at the off-campus centre, SRC, Kumbakonam, had already been discontinued, in view of the introduction of 4-year integrated programmes of B.A., B.Ed. and B.Sc., B.ed.”

The Committee considered the matter, the institution’s representation dated 14.01.2016 and decided as under:

		<p>1.The reference to a ‘ mistake’ in the minutes of SRC is not correct. In the summary decisions uploaded, only the name of the applicant and name of the district in which the applicant is located are mentioned. That can no be cited as a ground for shifting. In the detailed minutes, the locational details are fully set out.</p> <p>2.For the reason given above, the request for shifting the location of the proposed institution from Kumbakonam to Tanjavur, even before grant of recognition can not be accepted.</p>

Finally, we have constrained to a painful decision to approach the Hon'ble High Court of Andhra Pradesh to get justice in this matter.

This College is not functioning in independent land and building. There are two other institutions functioning in the same land and building namely 1) Tamilaga Industrial Training Institute (ITI) approved by directorate General of Employment and Training (DGET), Ministry of skill Development and Entrepreneurship, SharmShaktiBhawan, Rafi Marg, New Delhi offering vocational programme in National Council for Vocational Training (NCVT). 2) Tamilaga Industrial School, approved by Directorate of Employment and Training, Alandur Road, Guindy, Chennai-600032 Tamilnadu. This institute also offering Vocational programs of State Council for vocational training (SCVT). These two institutes successfully functioning for the past 20 years. the approval from them. Now, they use the same land and building and got the approval from you to conduct Bachelor of Education (B.ED) Programme. But there is no separate land and building to start new college of education according to the NCTE regulation 2014. This institute was not fulfill the norms and standards of NCTE. The institute is not have sufficient land to start new B.Ed College. This institute's adjacent properties are belongs to third parties. There is no single pies of vacant land belongs to the management Institute. So that is not possible to fulfill the sufficient land norms of NCTE. Then how can they got the approval from you to start new B.Ed institute. So the doubt will arise whether they shows some fabricated documents to get approval from you. The institute is not having proper classrooms, laboratories, infrastructure, instructional facilities and qualified faculty members. Hence I requesting you to view this matter seriously and take necessary action against the management to withdrawal of recognition of Kumaran College of Education from the academic year 2015-16. We already sent petitions along with document proof regarding in this matter to Dr. G.Viswanathan, the Vice –Chancellor, Tamilnadu Teachers Education University, Chennai, Tamilnadu, but he didn't take any action against the college .Dr.G.Viswanathan got Rs.20,00,000/- as bribe from management of the college and leave them to admit the students in to B.Ed degree course for 2014-15 year . This year 2015-16 also Dr.Viswanathan got Rs.20,00,000/- as bribe from management of the college and leave them to admit the students into B.Ed degree course. Now they are publishing advertisement in leading news papers to admit the students in vocational courses and B.Ed degree in same campus. That's why we are forward this petition to you. Herewith we enclosed the original newspaper as proof. We hope you to view this matter seriously and take necessary action against the management to withdraw of recognition of Kumaran College of Education from the academic year 2015-16 at your earliest".

The institution has filed court case in WP.No.22782 of 2015 in the Honorable High Court of Tamilnadu. It is prayed that

"..this Honb'le court may be pleased to issue a Writ of Declaration or any other appropriate writ, order or direction in the nature of a writ of Declaration declaring Clauses 2(b), 8(1), 8(11), 9, 10 and 11 of National Council for Teacher Education (Recognition, Norms and Procedure) Regulations, 2014 and Clauses 1,2.1, 3.1, 4.1,5.1,5.2,6 of Appendix-IV of National Council for Teacher Education (Recognition, norms and Procedures) Regulations 2014 as null and void unenforceable, invalid arbitrary unconstitutional and pass any such further or other order or orders as this Honb'le Court may deem fit and proper in the circumstances of the case and thus render justice".

The SRC in its 292nd meeting held on 29th -30th September, 2015 considered the complaint letter dated 07.07.2015 and advised Southern Regional Office to

- Send the complaint to the TNTEU for comments.

The institution addresses a letter dated 07.08.2015 to the Registrar, TNTEU was received by SRC on 10.08.2015 along with documents regarding explanation for action initiated towards non grant of continuation of affiliation for the academic year 2015-2016 for Kumaran College of Education, Abdullapuram, Vellore District-grievance.

In the meantime, a court notice in WP.No. 32707 of 2015 received from Honb'le High court of judicature at Madras on 24.10.2015. Accordingly, a letter along with brief of the case was sent to the advocate on 13.11.2015. A letter was received from advocate Shri. K Ramakrishna Reddy on 23.11.2015 with request to correspond with Mr. P.R Gopinath,

regarding WP.No.No.32707 of 2015.

As per the decision of SRC, a letter to the Registrar, TNTEU was sent on 17.11.2015. The University has submitted its comments on 27.11.2015 along with documents. The letter stated as follows:

“..Southern Regional Committee, NCTE, Bangalore has sought the comments from this university on the petition dated 07.07.2015 received from Shri.K. Saravanan, 260, Tajpuasalai, Arcot,Vellore-632501. As the copy of the same petition was already received by this University and actions were already initiated on the said complaint along with two other complaints with the similar subjects, the details of the same are now furnished below.

2. Based on the recognition granted to the Kumaran College of Education, Vellore District by the SRC-NCTE on 21.02.2014, this University has granted a conditional affiliation for the academic year 2014-2015 alone with three conditions. Out of three conditions the said college has fulfilled only one but not fulfilled the remaining two for the past one year.

3. Under the above condition, a complaint dated 01.04.2015 was received in this office on 05.05.2015 from the ‘2014-2015 batch B.Ed Students’ of the said college. The copy of the similar complaint sent to the Government of Tamilnadu by the petitioner was also received in this office through the Government. The abstract of the complaint is:

- a. Kumaran College of education is functioning in the industrial Training Institute (ITI) building and there is no separate land and buildings for Kumaran College of education.*
- b. Laboratory and other facilities are meant only for ITI courses and not for B.Ed degree programme.*
- c. Inadequate infrastructure for conducting B.Ed degree programme.*
- d. Complainant has attached a Photograph as evidences for their complaint that both the ITI and Kumaran College of Education are functioning in the same land and building.*

4. This university has issued show cause notice on 07.05.2015 to the Kumaran College of Education, Vellore District by enclosing the copy of the complaint to offer their explanation on the said complaint. In turn, the said Kumaran College of Education has submitted their explanation on 13.05.2015. in which the Chairman of the said college has attached the copy of the recognition granted by the NCTE and the copy of the conditional affiliation granted by this University and stated that they are having recognition from the government of India and affiliation from the Government of Tamilnadu for Kumaran College of Education in the same land and Buildings. Further stated that the complaints made in the petition are totally false and requested to close the petition. But, later, in the reference 5th cited the same college has agreed that both the college of education and it is are functioning in the same building. Hence, there is a contradiction in the explanation offered by the college in different dates.

5. This University has confused a two member’s surprise visit commission to ascertain the factual position of the complaint against the said college. Accordingly, the surprise visit commission their report to the university as detailed below.

“The management is running two of their institutions in the same land and building, namely Tamilnadu industrial Training Institute and Tamilaga Industrial School. The management has used the land and building for the B.Ed degree Programme also. Further, it is observed that the Kumaran College of Education is

lacking the basic infrastructure facilities including class rooms, laboratories and library which are essential for running the B.Ed programme.

.....

The inspection commission has enquired in to the complaint lodged by the B.Ed student of the academic year 2014-2015 and found that the complaint is true by considering above observations and the inspection commission suggest the university authorities to initiate suitable action against the Kumaran College of Education, Vellore District.

6. The copy of the complaint against the said college dated 07.07.2015, on which the SRC is now seeking comments from this university was received from Mr.K. Saravanan, 260, Tajpurasalai, Arcot Vellore-632501 on 10.07.2015. The content of the complaint in the previous petition dated 01.04.2015 and in the present petition dated 07.07.2015 are almost same. The highlights of the complaint dated 07.07.2015 are as follows:

- a. Kumaran College of Education is functioning along with two more ITI institutions approved by NCVT, Guindy in the same building and land.*
- b. Including B.Ed two more institution functioning in the same building and land, but got approval from the authorities.*
- c. This institute has not fulfilled the norms and standards of the NCTE, particularly no sufficient land.*
- d. Doubt raised that the college has got approved by producing fabricated documents.*
- e. Request to withdraw recognition from the academic year 2015-16.*
- f. Petitioner has stated that the he has already made complaint to the university, but the university has not taken action by receiving bribe.*

7.The allegation of the petitioner, Mr. Saravanan in "6-f" supra that he has already mad complaint against the said college to this University, but the University has not taken any action by receiving bribe, is totally false and fabricated, since the University has not received any such petition from Mr. Saravanan prior to his petition dated 07.07.2015 instead, a systematic process has already been initiated against the said college by this university based on the petition dated 01.04.2015 received in this office on 05.05.2015. Actually, the surprise inspection commission caused inspection at the said college prior to the petition received from Mr.K.Saravanan. Hence, the allegations of Mr.K.Saravanan that this university has not taken any action by receiving bribe is utter false, baseless and motivated.

8. Based on the findings of the surprise inspection commission held on 06.07.02015, the remaining allegations listed above are found to be true. Further,, the news paper cutting in respect of the advertisement given by the Kumaran College of Education calling for applications to B.Ed degree programme and also for admission to various ITI courses in ggteh same premises confirmed the above allegation. Apart from this, the photograph of the college building clearly confirms that the B.Ed degree programme is being offered along with ITI courses in the same building and land.

9. Hence, as said college is functioning in the same building where industrial training are functioning in violation of clause 8(4) (ii) of the NCTEC Regulations, this University has addressed the Kumaran College of Education, Vellore District again on 08.10.2015 and requested them to submit the relevant documents issued by appropriate authorities in respect of land & buildings used for offering B.Ed degree programme and also land & buildings used for industrial Training Institutes separately.

10.In response to this University letter dated 08.10.2015, the said college has submitted a

reply letter dated 23.10.2015, in which, the management has stated that the NCTE Regulations does not restrict to function college of Education and Industrial Training in the same building. The relevant portion of their letter reproduced below:

“the NCTE regulations does not forebear or especially restrict the functioning of other Educational Institution of a different programme being conducted simultaneously in the premises where the B.Ed Training course are conducted”.

Further, the said college has not submitted any documents in respect of well demarcated land used for offering B.Ed degree programmes as given in clause 8(4) (ii) of the NCTE Regulations. But the a copy of the building plan was submitted. This building plan was signed by the Engineer on 11.07.2007 and the plan was approved by the authority on 13.12.2006. Actually, the society was registered on 18.07.2011 and the sale deeds for the land was registered on 13.12.2012. As per the documents produced by the said college, the building plan was approved by the competent authority before purchasing the land.

11. As explained above, the said college is functioning in the building where the Industrial Training Institute are functioning. Further, as the contradictions existed in the documents submitted by the said college, in respect of date of registration of Society, date of sale deed for land, date of preparation of building plan and the date of approval of the plan by the authority, this University is not able to process the application of the said college for grant of continuation of provisional affiliation from the academic year 2015-16.

12. In the meantime, the management of the said college has approached the Honb'le High court with writ petition No: 32707 of 2015 against the University's letter dated 25.07.2015, in which the NCTE , new Delhi and SRC /NCTE, Bangalore are 1st and 2nd respondent respectively. Further, the said college has already filed a writ petition no.22782 of 2015 challenging certain clauses of new regulations,2014. Both the writ petitions are pending before the Honb'le High court Chennai.

Under the above circumstances, it obviously appears that the said college is not functioning in accordance with the Clause 8(4) (ii) of the NCTE's Regulations, 2014, since both the Kumaran College of Education and two more ITI institutions are functioning in the same building as per the two members inspection committee report followed by the letter dated 23.10.2015 of the said College. However, this subject matter is submitted to the SRC/NCTE to take final decision and based on the final decision of the SRC-NCTE, the pending application of the said college in this University for grant of continuation of Provision application will be taken up for disposal.

The SRC in its 297th meeting held on 27th – 28th December, 2015 considered the complaint matter and it has decided as under:

Obtain specific information on the following points:

- a. Sy.Nos involved.
- b. Area of the land in reference.
- c. Does it meet the requirement of the T.E.I.
- d. Is it clearly earmarked for the B.Ed programme.
- e. Does the Society / College have clear title to the land in reference.

In the meantime, the complainant has submitted written representation/ (complaint letter)

through affidavit on 13.01.2016 along with relevant documents. The affidavit stated as follows:

lessor and lessee deal may have to be resolved by a Court of Law and the litigant is free to proceed legally in the matter; and any attempt to involve the regulatory authority in the issue and discredit the same is unwarranted.

In the meantime, one more legal notice dated 12.02.2011 was received on 15.02.2011 from Shri. A. Kumar, Advocate which was placed before SRC in its 201st meeting held on 22-23 February, 2011 and the Committee decided as follows:-

“To take appropriate legal action against the complainant for indulgence in sinister campaign and casting aspersions on the NCTE, by making false and malicious allegations.

To call for remarks of the institution on the specific allegation that the institution had submitted some forged documents to the SRC.

To cause a composite inspection of the teacher education institutions of the above management, on receipt of the remarks and all the related documents and filled in questionnaire and the requisite inspection fee from the institution”.

As per the decision of SRC, letter was issued to the institution on 07.03.2011 and a letter was issued to Advocate Counsel on 07.03.2011 to take legal action.

In response to this office letter dated 07.03.2011 and a letter to the institution as per the SRC's decision of 201st meeting, the institution has submitted reply on 18.04.2011 stated that a case is pending in the court of the District Municipality Trichirapalli in O.S. No. 1359 of 2010 and I.A. No. 567 of 2010 regarding the right of possession of the building and land by the Management and other party.

The institution has not submitted D.D. of Rs. 40,000/- as an inspection along with essential documents as per the letter dated 07.03.2011. Instead the institution has submitted a copy of court order of the District Municipality of Trichirapally is as follows;

The prayed that “this Hon'ble court may be pleased to grant temporary injunction restraining the defendant, his men, agents, servants, and any persons claiming under him from in any way interfering with the petitioner's peaceful possession and enjoyment of the suit property either by dispossess upon or otherwise in any manner whatsoever except under due process of law till the disposal of the suit and also pass an interim ex parte injunction till the disposal of application and thus render justice”.

It appears that the place where institution is being run is the property right/dispute to which is under dispute. It also appears that interim injunction is given to the institution to run the institution. If the institution is running there inspection as directed by SRC can be carried out.

The SRC in its 204th meeting held on 26th-27th April 2011 considered the written reply and other relevant documents and decided to cause composite inspection at the premises in anticipation of inspection fee of Rs. 40,000/- per course, as originally decided and as the Court Order is not against the NCTE inspection under section 17 of NCTE Act.

Accordingly, inspection of the institution was fixed between 30th May to 4th June 2011, the same was intimated to the institution on 24.05.2011. VT report is awaited.

Meanwhile, the institution submitted letter along with rs.40000/- requesting 3 months time for the

shifting and inspection of the institution. The institution has stated as follows:

“We received your letter on 26.05.2011, in which it has been mentioned that the visiting team of NCTE-SRO, will come for inspection of one institution between 30th May to 4th June and to submit the relevant documents to them.

Pertaining to this subject I wish to state that already we have sent the reply letter to you mentioning that we have dispute over the possession of building and land where the institution is running at present, for which a civil suit is pending in Munsif Court of Trichirapalli and we have obtained interim injunction order also till 22.07.2011. In such circumstances, again it has been insisted by the NCTE, SRC to be ready for the inspection in between the dates from 30.05.2011 to 04.06.2011. On seeing your letter, we have obtained the D.D also for Rs.40000/- which can be considered to have been paid well in advance for the inspection at that time of shifting of institution to the new building after 4 months.

Apart from this we wish to state that the necessary documents/connected records are under the custody of court which can't be obtained in view of the summer vacation to the courts in Tamilnadu.

Moreover, we want to insist that already the construction of building for the shifting of the institution is under progress and process after getting the application for construction and the construction will be completed by 15th September 2011 approximately. Hence the shifting and inspection will be possible only after that in view of shifting and court interim injunction order.

In such circumstances, it is humbly requested that the inspection for shifting of institution may please be post-poned after 15th September 2011 and request that 4 months time may please be given for the shifting of building, besides allowing the institution to run in the present place and location without any disturbance to the students till September and without prejudice, since we have for the interim injunction order of court also till 22.07.2011 which will be (can be) extended till 22.10.2011.

By and large it is shortly informed that it is subjudice, since the interim injunction order is under existence till 22.07.2011 and apart from this we request he shifting time till 15.09.2011, for which kind of action use will be very much thankful to you.”

The SRC in its 206th meeting held on 09-10 June 2011 considered the Hon'ble High Court order and request of the institution and decided to cause composite inspection of the institution in the last week of September 2011. Accordingly visit was organized on 10.08.2011 and the VT Members has stated that the inspection could not be done due to the request for extension time period up to 15th September 2011.

Further, a letter dt.26.09.2011 was issued to the institution to remitted re-inspection fee of Rs. 40,000/-. However VT is fixed pending receipt of inspection fee. Accordingly, inspection was carried out on 23.11.2011.

As per decision of SRC in its 249th meeting held on 24-26 July, 2013, decided to withdraw recognition for the following reasons:

1. The institution has not submitted approved staff list from the affiliating body as per NCTE norms.

The Appellate authority order dated 21.05.2014 stated that remanded to SRC with a direction to re-examine all the documents submitted by the appellant in support of approved teaching faculty and take a fresh decision. In the meanwhile the withdrawal order may be kept in abeyance.

The institution filed a Court case in W.P. No. 28423 of 2014. The outcome of the Court case not known.

Accordingly, as per the decision of SRC a show cause notice was issued to the institution on 04.02.2015. The institution has submitted reply on 16.02.2015.

1. Affidavit received

3. Ensure adherence to 2014 norms/standards, especially the FDR amounts, before 31.10.2015. Also check composition of the Faculty of 8 for one unit.

Accordingly, restore recognition order was issued to the institution on 04.08.2015.

The institution has submitted its written representation on 08.09.2015 regarding requesting for cancelling surplus joint account FDRs and requesting shifting order and we complete new rules of 2014.

The institution has submitted its 2 written representation on 14.09.2015 along with original FDRs of Rs.16,00,000/- (which is in joint account) another regarding corrections in the order. In its letter stated as follows:-

".....you have mentioned 'withdraw the recognition for D.T.Ed-AI (APS08186) which was pertaining to Thozhilathibar Trust Teacher training institute was similar to Thozhilathibar Teacher Training Institute (APS07601) and hence do the necessary corrections and enhance our additional intake. Please refer corrigendum order (reference 2).

In first page 4th para, the mentioning of additional intake APS07601 should be added along with basic intake order (APS04925)."

Note: The decision for D.T.Ed-AI has not taken by SRC in its 289th meeting and also shifting decision to be taken for D.T.Ed and D.T.Ed-AI courses.

The matter was placed before SRC in its 292nd meeting held on 29-30 Sept, 2015 and decided as under:

- 1.APS07601 (for D.T.Ed-AI) was closed after withdrawal of recognition. There has been no request for reconsideration of the withdrawal order.
- 2.APS08186 was closed when the recognition was withdrawn and e institution withdrew its writ petition against our order.
3. Since only APS04925(D.T.Ed) in process, no 'correction' is required. Only shifting permission is required which is hereby accorded.

Accordingly, Shifting order was issued for D.T.Ed APS04925 on 25.11.2015.

Now, the institution has submitted written representation on 05.01.2015 stated as follows:

The SRC considered the written representation submitted by the institution and decided to continue the approval given to Thozhilathiber Teacher Training Institute (D.T.Ed APS04925 and withdraw the recognition for D.T.Ed-AI (APS08186) course for which the land/Buildings/ infrastructure are not available as per the norms, as inferred from the reply statement furnished by the institution”

Actually our Thozhilathiber Educational and Social Trust has 2 institutes in the name of Thozhilathiber Teacher Training Institute (2 Units) and Thozhilathiber Trust Teacher Training Institute 1 unit in D.T.Ed. The details are given below:

1. Thozhilathiber Teacher Training Institute APS04925 in the year 2006 for basic unit.
2. Thozhilathiber Teacher Training Institute APS07601 in the year 2008 for Additional unit.
3. Thozhilathiber Teacher Training Institute APS08186 in the year 2006 for basic unit.

The Thozhilathiber Trust Teacher Training Institute (APS08186) was withdrawn during 2010. But the name was wrongly mentioned in the order of SRC instead of Thozhilathiber Trust Teacher Training Institute to Thozhilathiber Teacher Training Institute.

So our institute has approached Madras High Court and quash same in W.P.No.3671 of 24.02.2010 issued by the SRC dt 09.02.2010.

Based on the court order SRC issued corrigendum order mentioned that

Instead of Words

Thozhilathiber Teacher Training Institute

May be read as

Thozhilathiber Trust Teacher Training Institute”

But now we have received order Read as follows

APS07601 for D.T.Ed-AI was closed after withdrawal of recognition. There has been no request for reconsideration of the withdrawal order”.

Already we have approached court and received corundum order from SRC, based on that now we are running Thozhilathiber Teacher Training Institute APS04925. Hence our institute is eligible for totally 100 students.

We mentioned again the following for your kind perusal

1. Thozhilathiber Teacher Training Institute APS04925 for basic unit.

		<p>2. Thozhilathiber Teacher Training Institute APS07601 Additional intake is not withdrawn. 3.
