The Secretary, the degree college Principal and Incharge B.Ed College Principal spoke to us that they do not want NCTE inspection now, the same thing they will write to the RD NCTE, Bangalore

The SRC in its 300th Meeting held on 29th-31st January, 2016 considered the matter, VT Inspection report dated and other relevant documents of the institution and decided as under:

Any postponement at this stage will push them to the bottom of the list which may expose them to the vulnerability of missing the 3rd March, 2016 date line. Ask them whether they still wish to press for the postponement.

Now, a letter received from the institution on 08.02.2016 stating as follows;

"our kongunaadu College of Education (APS03912) was established in the year 2005-06 and the same was recongnized by NCTE in its order No. FTN/SRO/NCTE/2005-06/2715, dated 03.09.2005. we are running the Kongunaadu College of Education in our own building right from the beginning.

The same college has been affiliated by Periyar University, Salem vide order No. PU/R/11405/B3/2005 dated 12.12.2005.

In the meantime Tamilnadu Teachers Education University was established in the year 2008-09 and all B.Ed Colleges in Tamilnadu came under the control of the above University. Provisional affiliation was granted to our college from the Tamilnadu Teachers Education University Vide Order No;TNTEU/R/Affln/Contn/2009-10/1041 dated 10.12.2009. from 2005-2006 to 2012-2013 the college was functioning smoothly. During the academic year 2013-14 the Tamilnadu Teacher Education University withdraw the affiliation granted to our college because of the report of the one-man commission of an anonymous letter.

Then it was challenged by us in the Hon'ble High Court, Chennai and the court seaside the Universities affiliation withdrawn order on 10.10.2013.

Then the Tamilnadu Teachers Education University granted permission for the admission of students for the academic year 2014-15 as per the decision of the syndicate Vide Order No;TNTEU/R/Syn in-cir Dec 2013-item/2013/2287, dated 31.12.2013.

As per the instruction of the University we have also applied for the continuation of affiliation on 14.10.2014 for further academic years. The Tamilnadu Teachers Education University has also completed its inspection on 21.12.2015.

On 08.06.2015 we have received a letter from your office regarding the submission of some documents for shifting inspection on 06.07.2015. we submitted a written representation stating that we are running the institution in a permanent building right from the beginning.

After considering the letter in its 291st Meeting, the Regional Director issued the restoration of recognition order on 13.10.2015. but now we received a letter from your office dt 07.01.2016 about the inspection as per the direction of NCTE SRC. the convener of the inspection committee informed through phone that the committee will come to the college for inspection. We have admitted only less number of students i.e. below 50. So we hope that our institution is not applicable for the inspection and if you feel that the inspection is compulsory we are ready to face the same. So we kindly request you to take necessary action".

The committee considered the matter, written representation from the institution dated 08.02.2016, all other relevant documents of the institution and decided as under:

1.No. Expansion of the intake strength is contemplated on the contrary; the strength of one 'basic unit' has been reduced from 100 to 50. So, even the 2 year student-strength will continue to be at 100 only. That being so, no fresh inspection is required.

2.They have shown that they are functioning in their own premises. So, the 'shifting' condition is erroneous. Remove the shifting condition.

3.Check the faculty position along with the others.
