After a gap of five years, on 29.01.2013, the institution has submitted a written representation along with the above mentioned court order in W.P. No. 39712 of 2012 which is as under :

"The SRC-NCTE processed our application and issued a deficiency letter bearing F.SRO/NCTE/2008/DL-7206, dated 24.11.2008 to the society. After receiving the deficiency letter, the society filed its reply on 9.2.2009 before specified 90 days expiry time.

But the SRC-NCTE has not taken any further steps to process our application till date. We patiently waited such a long time to get positive reply from the SRC-NCTE but unfortunately not yet received any kind of reply from the SRC-NCTE. Finally, we have constrained to a painful decision to approach the Hon'ble High Court of Andhra Pradesh to get justice in this matter.

The Hon'ble High Court of Andhra Pradesh passed an order bearing W.P. No. 39712 of 2012 dated 26.12.2012. The copy of order is enclosed along with the application. According to the direction of the Hon'ble High Court of Andhra Pradesh, we are making application for grant of recognition in respect of Sri Geervani College of Education (B.Ed) for the academic year 2013-14. For this, we are herewith submitting, a fresh application along with necessary documents for your kind consideration.

In view of the above information furnished by us, the management is humbly requesting your esteemed authority to consider our application and grant recognition to start Sri Geervani College of Education(B.Ed) with effect from the academic year 2013-2014".

Note 1: As per the statement of the institution, the application of the institution was processed and a deficiency letter was issued and the reply for deficiency letter also submitted by them. It is not known whether the reply was placed before the SRC or not (No information available in the file).

As stated in the court order, fresh application for recognition of additional intake, in the first instance, the institution was not granted recognition for basic B.Ed course, where is the question of additional intake.

Again the institution has submitted a request letter on 3.9.2013 requesting to consider their application for additional intake through on-line mode as per the NCTE Regulations. The old application cannot be opened again.

The Hon'ble Supreme Court judgment dated 13/12/2012 in Maa Vaishno Devi case reported in (2012) SCC 617 para 87.3 to para 87.4. reads as under:

"..... 87.3 : The recognition and affiliation granted as per the above Schedule shall be applicable for the current academic year. For example, recognition granted upto

For the academic year 2014, no recognition shall be issued after 03.03.2013 and no affiliation shall be granted after 10.05.2013. Any affiliation or recognition granted after the above cut-off date shall only be valid for the academic year 2014-15...."

submit the reply by 17.8.2009 and a final reminder was sent on 31.7.2009.

- The institution submitted its representation on 30th July, 2009 and 11.8.2009. The reply was considered by SRC in its 181st meeting held during 20-21 August, 2009 wherein it was decided to serve Notice to submit reply by 28th August, 2009 and notice was issued to the institution on 24.8.2009.

The institution did not submit any reply even after expiry of stipulated period and hence the matter was placed before SRC in its 182nd meeting held on 31st August, 2009 which came to the conclusion to refuse the recognition/withdraw the Letter of Intent OR Conditional Recognition accorded to the institution for the proposed course as per Section 14(3)(b) of NCTE Act for the following reasons:-

- The institution has not appointed requisite faculty/staff and also not submitted the staff list and affidavits as per regulations 7(9) of NCTE.

Accordingly, refusal order was issued to the institution vide Order No. F.SRO/NCTE/2008-2009/15844 dated 24.09.2009. Aggrieved by the refusal order the institution preferred an appeal before the appellate authority on 13.09.2011.

The Appellate authority on 8-12-2011 noted *that*

a) Karnataka University submitted an application to the SRC for grant of recognition of Kittur Rani Channamma P.G. Centre, Belgaum, Karnataka for M.Ed. course. SRC vide letter dated 18-09-2008 issued a letter of intent prior to grant of recognition under Clause 7(9) of NCTE Regulations. Thereafter it issued a notice, for which the administrator of Karnataka University submitted a reply on 28-07-2009 stating that "the University is in the process of appointing qualified staff to teach M.Ed. students.

In the meanwhile, some qualified and permanent teaching staff has been transferred from Dharwad to Belgaum". Despite this reply, SRC decided to refuse recognition on the grounds as stated in Para 1 above. (b) The Council further noted Kittur Rani Channamma P.G. Centre, Belgaum was upgraded to the status of an independent University under the name "Rani Channamma University", Belgaum from 2010 onwards. The Rani Channamma University, being the successor institute of the earlier P.G. Centre, pursued the matter of M.Ed. recognition and filed an appeal. The delay caused in filing the appeal was due to upgradation of PG centre into university, which was a valid reason for condoning the delay caused in preferring the appeal. (c) The university had taken steps to appoint full complement of the faculty for teaching M.Ed. students.

The Appellate authority therefore came to the conclusion that there was adequate justification in accepting the appeal with a direction to the SRC for considering the faculty profile of the institution and for taking further decision thereafter. The institution is advised to forward a complete set of faculty profile as required under NCTE Norms, for consideration of SRC.

After perusal of documents, memorandum of appeal, affidavit, VT report and after considering oral arguments advanced during the hearing, the Council reached the conclusion that there was adequate ground to accept the appeal and reverse the SRC's order dated 24-09-2009 vide appellate authority order No.89-361/2011 Appeal/8th Meeting/2011/A46189 dated 04/01/2012 with a direction to the SRC for

considering the faculty profile of the institution and for taking further decision thereafter. The institution is advised to forward a complete set of faculty profile as required under NCTE Norms, for consideration of SRC.

Accordingly, the appeal is accepted and the order of SRC dated 24.09.2009 is reversed .”

The institution had not submitted Faculty profile to this office so far(as advised in the appeal order). The appeal committee advised the University to forward reply to the show cause notice of SRC for consideration vide its order dt. 04.01.2012.

The SRC in its 217th meeting held on 8-9 February, 2012 considered the Appellate authority order dated 04.01.2012 decided to wait for the reply from the institution till 45 days and then process the reply of the institution to the Show Cause Notice for further action.

As per the decision of 217th meeting of SRC and since 45 days is over and faculty profile is not received from the institution, the matter is once again placed before SRC for its consideration and decision. The SRC in its 221st meeting held on 19-20 April, 2012 considered the matter and decided to close the file of M.Ed (APS08997) course applied by Kittoor Rani Chennamma PG College, Belgaum District, Karnataka for the time being, as the institution is yet to submit the faculty profile.

In the meanwhile, on 11.5.2012, a fax is received from the Registrar, Rani Chennamma University, Vidyasangama, NH-4, PBNH, Belgavi-591156 regarding the starting of M.Ed. programme in the newly started Rani Chennamma University, Belagavi, Karnataka.

The Chairman's Remarks: In 242nd meeting

“In the context of discussion relating to Rani Chennamma PG College, Belgaum District, Karnataka, a point was raised about Prof. Lalithamma, a Member of the Southern Regional Committee, having been a member of the selection committee for Faculty in the Rani Chennamma PG College/University. It was suggested that it would be appropriate for Prof. Lalithamma to withdraw from the deliberations to avoid any issue of conflict of interest. Prof. Lalithamma was firmly of the view that there was no question of clash of interest and that it would be inappropriate to require her to recluse. But, the other members of the Southern Regional Committee attending the meeting were definitely in favour of her withdrawal especially for facilitating free and frank expression of views of all. Accordingly, Prof. Lalithamma left the meeting and withdrew from participation in the deliberations on this item”.

The SRC in its 242nd Meeting held on 14th – 16th April 2013, considered the matter, reply of the institution dated 03.01.2013 and advised Southern Regional Office to write to University for justification of the appointment of Dr. Maruthi Rao Nimbalkar, a superannuated faculty.

Accordingly, a letter was addressed to the Registrar, Rani Chennamma University seeking justification of the appointment of Dr. Maruthi. R. Nimbalkar, a superannuated faculty.

The Registrar, Rani Chennamma University submitted a written representation dated 24.06.2013 received by this office on 02.07.2013 is as under ;-

"With reference to your letter No. F.No. APSO8997/M.Ed/KA/2013-2014/51963 dated 31.05.2013, I am to submit that Dr. Maruthi.R.Nimbalkar is not appointed in Rani Chennamma University, against any vacancy of faculty position. However he has been appointed as the visiting professor as per the Karnataka State Universities Act 2000 section 53 and subsection 10 for a period of one year.

In fact, Dr. M.R. Nimbalkar was the Principal of Kai .Sou. Indumathi Patil Mahila B.Ed College, Malakapur-Shahuwadi. With his vast administrative and teaching experience in the past he was designated to the post of Visiting Professor.

It was found imperative that a person with such experience be appointed as visiting professor to enable the newly established school of Education Department of Rani Channamma University, Belagavi.

It is further reiterated that Dr. Nimbalkar is not a regular appointed faculty of School of Education, but only a Visiting Professor of Education appointed on an adhoc basis (not against any regular post)" Photocopy of Bio-data and Experience Certificates of Dr.M.R.Nimbalkar were enclosed.

The Southern Regional Committee in its 250th meeting held on 11th – 13th August, 2013 considered the reply of Registrar dated 31.5.2013 and advised the University to submit list of regular staff as per NCTE norms and standards for M.Ed.

As per the decision of SRC, a letter was sent to the institution (University) seeking the list of regular staff as per NCTE norms, vide F.SRO/NCTE / APSO8997/M.Ed /2013/53881 dated 20.09.2013

Now, on 13.08.2013, a complaint was received by this office from Mr. Basavaraj Godachi, High Court- Advocate, Gourishankara Krupa, 8th cross, Kalyan Nagar, Dharwad – 580 007 which is as under :-

"It is submitted that Rani Channamma, Belgaum, Karnataka State had made the following irregularities while appointing the associate professors in department of Education;

In response to your show cause notice dated 30.08.2012, the University submitted the detailed profile of teachers appointed in the Department of Education. However the NCTE was still not satisfied with the appointments and passed a resolution in its 235th meeting held on 21st – 22nd November 2012. Following is the text of the resolution.

The Committee considered the reply of the institution and all the relevant serve Notice Under NCTE Act for the following:

- Dr. Yarriswamy is not eligible for the post of Associate Professor as he is having only 51.7% in M.A Degree, as per NCTE norms minimum of 55% Marks is required for eligibility.*
- Dr. Sushma is not eligible for the post of Assistant Professor as she is having only 53% in M.A Degree, as per NCTE norms minimum of 55% Marks is required for eligibility.*

- *Dr. Maruthirao. R. Nimbalkar is not eligible for the post of Visiting Professor as she is having only 52%,marks, as per NCTE norms ,minimum of 55 % marks is required for eligibility.”*

In view of the above and with reference to the totality of information collected & based on a collective application of mind, the Committee decided to issue a Notice to the institution, as to why the recognition be not withdrawn and thereby providing an opportunity to the institution to make a written representation within 21 days from the date of receipt of the Notice along with necessary certificates/documents in order to take a final decision in the matter; failing which action will be taken including the withdrawal of application for recognition, based on the records available, with no further notice.

However, the above NCTE observations are only partial and several irregularities have taken place while appointing the teachers in Education. The following Associate Professors appointed by the University are ineligible for their posts for the following reasons;

I . Dr. Purnima Pattanashetti

a.PG Teaching Experience

Dr.Purnima Pattanshetti has never taught in any colleges even for B.Ed course. However she has managed to collect the experience certificates from private B.Ed Colleges.She has enclosed the teaching experience of Jain Mahila Mandal's B.Ed College for women from 1989 – 1994.where as she has completed her B.Ed in 1989 and M.Ed in 1992.she was not eligible to teach B.Ed course also from 1989 1992.She has enclosed a forged Experience Certificate issued on 29.06.1996 by the President of the Jain Mahila Mandal in order to secure Job in Rani Channamma University to make her eligible for the post of Associate Professor. The Vice Chancellor of Rani Channamma University was bent upon appointing her as Associate Professor, as she was a sitting Syndicate Member of the University till the date of her interview.Dr.Purnima Pattanshetti has produced many other testimonials to show her teaching experience as visiting teacher in PhysiotherapyNurising colleges and residential schools which are not the requisite experience to qualify her to the post of Associate Professor.

b. Academic Performance Indicator Points (API):

Dr.Purnima Pattanshetti has claimed 450 API points to her credit and the University has assessed her API points to 325 API points .However,both the assessments are wrong for the following reasons :

Dr.Purnima Pattanshetti has hyped her API points by showing the fake consultancy projects of starting schools as Research consultancies(Examples of such certificates are enclosed) Dr.Purnima Pattanshetti has no academic contributions.

II. Dr.Yarriswamy

Dr.Yarriswamy has been appointed as Associate Professor though he does not have requisite qualification and experience :

a. Academic Qualification:

As per the observations made in the 235th Meeting of NCTE held on 21st – 22nd November 2012, Dr. Yarryswamy is not eligible for the post of Associate Professor as he has only 51.7% in M.A. Degree, whereas, as per the NCTE Norms minimum 55% marks is required for eligibility.

Now, the Vice-Chancellor has asked Dr. Yarryswamy to appear for his M.A. Degree from Karnataka State Open University and accordingly Dr. Yarryswamy has appeared for his M.A. Examination during the academic year (2012-13). Dr. Yarryswamy did not possess the required qualification on the date of his interview/appointment.

b. PG Teaching Experience :

As per the norms of UGC, one should have 5 years of PG Teaching Experience to be appointed as Associate Professor. Where as, as per NCTE norms at least eight years of teaching experience in University Department of Education or College of Education, with a minimum of three years at the M.Ed level. But, Dr. Yarryswamy has only one year of PG Teaching Experience and all other certificates are B.Ed teaching experience.

c. Academic performance Indicator Points(API):

Dr. Yarryswamy does not have any academic contribution which can fetch 300 API Points. However, the University has hyped the API Points and recruited him as Associate Professor.

The above complaint letter along with enclosures submitted by the complainant is submitted for its consideration and decision.

As per the decision of SRC, a letter was sent to the institution(University) seeking the list of regular staff as per NCTE norms, vide F.SRO/NCTE / APSO8997/M.Ed /2013/53881 dated 20.09.2013

With the above submission the University has not complied the provisions of Sec 53 (iv)(6) and (7) of the Karnataka Universities Act 2000 and Sec 14(1) of NCTE Act. Sir, the above are the only few samples of the misdeeds of Vice Chancellor of Rani Channamma University. Almost all the appointments are irregular. Even the appointment of Prof. Shailaja as Professor and other three Assistant Professors in the Department of Education are also irregular. Some of the members of SRC are colluded with the Vice-Chancellor of Rani Channamma and trying to regularize these appointments and to grant recognition to M.Ed course conducted by the University. Prof. M.S. Lalithamma was former colleague of Vice Chancellor Prof. Ananthan at University of Mysore. She is putting her all out efforts to support him. Where fore it is requested that, the proceedings for nullifying these appointments be initiated at the earliest. Further, direct the University to re-advertise and fill up the positions as per NCTE norms otherwise I will be forced to approach the competent court by way of Public Interest Litigation against the University and NCTE.”

The Southern Regional Committee in its 253rd Meeting held between 30th September to

1st October,2014 considered the matter and noted that the institution (University) has not replied to our earlier letter dated 20-09-2013 to submit the list of regular staff as per NCTE norms.

'A specific complaint was received by this office from Mr. Basavaraj Godachi, High Court, Advocate , Gourishankara Krupa, 8th Cross, Kalyan Nagar, Dharwad – 580 007.

It is decided by the Committee and advised Southern Regional Office to send the above complaint letter to the University for their comments. The Registrar, Ranichennamma University has replied to this office letter dated 18.12.2013 with respect to the complaint of Mr.Basavaraj Godachi as under;

“With reference to the above I wish to state the following:

Mr. Basavaraj Godachi has been seeking information on the appointments made to various departments in Rani Channamma University. The University has furnished all the information sought by him as per the provisions of RTI Act. If the information supplied is inadequate, he has every right to approach the immediate appellate authority —i.e.- the Vice Chancellor of the University. It is disheartening to note that instead of approaching the Vice Chancellor, he has approached your good self with a frivolous complaint. I am, however, duty bound to reply to him as per your direction.

A. Clarification to the objection raised regarding the eligibility of Dr. Yarriswamy for the appointment of Associate Professor of Education:

As per the UGC norms, the staff strength in each PG Department shall be in the ratio of 1:2:3 (1 Professor, 2 Associate Professors, 3 Assistant Professors). Following the roster system points prescribed by the Government of Karnataka, reservations are made for various categories. Further, the candidates are selected by the Expert Committee constituted as per the guidelines of UGC and the Statute of Rani Channamma University prepared for this purpose. The Selection Committee, discipline, recommended candidate specialized in certain areas relevant to impart teaching in Education. The Selection Committee opined that it is desirable for the Education Department to have a faculty who has specialized in Guidance, Counseling and Remedial Teaching. Based upon the API score and the performance in the interview, Dr. Yarriswamy was selected under the Category 3B. Regarding the basic qualification, the Committee noted that Dr. Yarriswamy had an additional PG Degree scoring 51.7% which fulfilled the norm laid down by NCTE earlier. At the time of interview, Dr. Yarriswamy had completed the first year of one more PG programme scoring 56%. The new NCTE norm prescribes that the incumbent candidate should have scored at least 55% at the PG level. Keeping in mind the Roster, the merit, the NCTE norms, Dr. Yarriswamy was selected provisionally. His probationary period has not yet been declared as he has not produced the final degree marks sheet of the additional PG programme indicating that he has scored more than 5% in the second year. The allegation made by Mr. Basavaraj Godachi is beyond truth and hence denied.

B. Clarification to the objection raised regarding the eligibility of Dr. Sushma:

It is unfortunate that the complainant, being an advocate himself, is ignorant of the

provisions of NCTE regarding the norms prescribed for appointments of various categories of applicants. It is alleged that Dr. Sushma is not eligible for the post of Assistant Professor as she is having only 53% in M.A. degree where as the eligibility is 55% marks. This is a baseless allegation as the selected incumbent belongs to SC Category who has a relaxation of 5% in the eligibility marks. Her 53% of marks at the M.A. level is within the norms prescribed by NCTE and hence the allegation is baseless.

C. Clarification regarding the eligibility of Dr. Maruthirao R. Nimbalkar:

It is alleged that Dr. Maruthirao R. Nimbalkar is not eligible for the post of Visiting Professor as he is having only 52% of marks. Dr. Nimbalkar was a retired Principal of a College of Education in Bombay. Under the provision of Section 53.10 of KSU Act 2000, the Vice Chancellor may appoint an expert as a Visiting Professor without formally subjecting him to the process of recruitment. Dr. Nimbalkar was appointed temporarily as a Visiting Professor for a period of one year to do the preliminary work to recommence the M. Ed. Course in the University. His services were terminated from September 1, 2013. This implies that he is not the faculty of the University. Hence the allegation made is incorrect.

D. Clarifications regarding the eligibility of Dr. Poornima Pattanashetti

Dr. Poornima Pattanashetty was appointed as she fulfilled all the requirements as per KSU Act 2000 and NCTE norms. The allegation that she has collected bogus experience certificates is devoid of truth. As per NCTE norms, an applicant will be eligible for the post of the Associate Professor should have an experience of eight years of teaching experience of which 5 years at the UG level and 3 years at the PG level. As per the records available with us and also supplied to NCTE no objection was raised whatsoever and the eligibility of the Dr. Poornima Pattanashetty for the post of Associate Professor.

The allegation that the Vice Chancellor of RCU was bent upon appointing Dr. Poornima Pattanashetty as the Associate Professor as she was a sitting Syndicate Member till the date of her interview is a frivolous and baseless allegation and has to be brushed aside. Regarding API scores, how is the Complainant competent to assess the quality of publications? The Scrutiny Committee, composed of the experts in the field, is only competent enough to award points, The Vice Chancellor and the Registrar have no say or role in deciding the API score. Hence the allegation has to be construed as a baseless one. Regarding the API scores of Dr. Yarriswamy, what has been stated in the above paragraph holds good here also. The rest of the allegations are subjective and opinionist. Somebody being the former colleague of the Vice Chancellor being on the Selection Committee cannot vitiate objectivity of the selection process.

In view of the above, I request you to dispose the complaint of Mr. Basavaraj Godachi and take appropriate decision to recognize the M.Ed. Course of Rani Channamma University. Please also advice any RTI activist to explore the formal avenues prescribed under RTI Act before approaching your office."

The above reply of the University was placed before the SRC in its 265th meeting held during 24-27 March, 2014, but the Committee did not take up the issue.

Further, the committee considered the written reply of the institution vide letter dt.05.04.2013 on the above matter and also the relevant documents of the institution, the deficiencies still persists and decided to withdraw recognition for B.Ed for the following reasons:-

1. Original approved building plan issued by competent civil authority is not submitted. In the approved building plan copy submitted, total land area is not mentioned, moreover, all the rooms shown as class rooms in the building plan, instead of specifying the rooms for Laboratory, library, Principal room, office, multipurpose hall etc., multipurpose hall size is also not mentioned.

4. For the deficiency point (14) of the show cause notice, the institution has replied that the Associate professor S. “..... 16. In view of the strict mandate, it appears that a batch of writ petitions were filed under Article 32 of the constitution, before the Supreme Court in W.P. (Civil) Nos. 148,

152 and 155 of 2014, by three Colleges of Education in Punjab . The prayer in those writ petitions before the Supreme Court was for a Mandamus academic session 2014-2015. But, these writ petitions were dismissed by the Supreme Court by an Order dated 24.3.2014. Paragraph 2 of the said order reads as follows:

“ It has been brought to our notices that this Court has passed orders I SLP (C) Nos. 4247-4248 of 2009, on 10th September, 2013 directing that those who are desirous of establishing Teacher Education Colleges/ Institutions shall be free to make application in accordance with the new Regulations to be framed by the NCTE and their applications shall be decided by the competent authority keeping in view the relevant statutory provisions. By the said order, this Court has further directed that all pending applications shall also be decided in accordance with the new Regulations. The new Regulations have not been finalized and by an order passed by this Court on 7th March, 2014 in IA Nos. 56-57 of 2011 filed in SLP (c) No.4247-4248 of 2009, this Court has granted extension of time till June, 2014 for the National Council for Teacher Education to revise the norms and standards of various Teacher Education programmes and codify the new Regulations. The result is the National Council for Teacher Education has time up to June, 2014 to frame the new Regulations and till the new Regulations are frames, the pending application of the petitions for recognition cannot be considered. Therefore, the consideration of the applications of the petitioner- institutions for the year 2014-2015 cannot be made by the National Council for Teacher Education before June, 2014, the academic session 2014-2015 would have commenced. We cannot, therefore, issue any direction to the National Council for Teacher Education to consider the applications of the petitioner-institutions for the academic session 2014-2015 instead of 2015-16.”

Therefore, no Mandamus can be issued as prayed for by the petitioner, in the teeth of the order of the Supreme Court.

17. Hence, the writ petition is dismissed. No costs. Consequently, M.P. No. 1 of 2014 is also dismissed.

2. The petitioner has challenged the impugned order, dated 25.11.2014, passed by the second respondent/Regional Director, National Council for Teacher Education, Southern Regional Committee, Bangalore, on the ground that without due application of mind, the second respondent, wrongly holding that the petitioner has not given reply to the show cause notices, 05.02.2013, 13.02.2013 and 15.02.2013 passed the impugned order.

Now, a Court order received from the advocate in W.P.No.24939 of 2005 and W.P.M.P.No. 27314 of 2005.

The Hon'ble Court order in W.P. No. 24939 of 2005 and W.P.M.P. No. 27314 of 2005 dated 29.10.2013 stating as follows; *".....The NCTE Act has been enacted by Parliament under entry 66 of list 1 to coordinate with and determine the standards of teacher training institutions as well as entry 25 of List III. The provisions of the University Act regarding affiliation of teacher training colleges and the conditions for grant and continuation of such affiliation by the University shall remain operative. However, the conditions that are prescribed by the University for grant and continuation will have to be in conformity with the norms and guidelines prescribed by the NCTE in respect of the matters entrusted to it under the NCTE Act. We hasten to add that the grant of affiliation alone entitles the colleges to admit the students and also enables the students to write the examination, subject to the training in the prescribed syllabi and fulfilling the attendance norms, and there cannot be any retrospective affiliation and the attendance before the affiliation or college is entitled to admit students before the grant of affiliation by the University, and as observed by the learned Chief Justice in Loordhu Ammal Educational Trust's case, that any college or institution admitting students for a degree in the University even before the University accords affiliation is really committing fraud on those students and is cheating those students who are given admission, because those students can be left in the add that it would be impermissible for the court to permit the students of an unaffiliated institution to appear*

For the last one year, the college is running without a qualified Principal or Staff with qualification as per NCTE norms or stipulations as given by the University. For a College with P.G. degree courses, there should be at least two teachers with Ph.D. But, in this College, no teachers are having Ph.D. degree. In addition to this the Principal is not qualified to work as Principal in PG colleges. We the students of this</p>

college are suffering several times they are not ready to sort out the complaints. Management is running the college only for money making. For teachers with Ph.D. they have to pay more salary. So they are not giving much attention to our complaint. When enquired with the Principal she is threatening the students and saying that she will cut down the internal marks. So the students of the college are suffering a lot without proper guidance in the PG classes. The Lecturers working in the College also do not have experience in PG teaching. How, the quality of education will be for the students coming out this college. So with a great expectation to solve the problem we lodge this complaint and we request your kind consideration and favourable action in this regard.”
