The application is for 2017-18. But, the NOC is given for 2016-17. Even for 2016-17, it was not valid in the sense it was issued only in Nov. 2016 when, in fact, it should have come along with the application on 30.5.2016. 3. We did add to the confusion by erroneously ordering VT inspection in March 17. This has obviously raised expectations. We can only express regret for the inconvenience caused. But, we cannot over-ride the infirmity governing the NOC. 4. Issue SCN accordingly.
