					<p>1. In this case, 4 programmes are involved M.Ed (1 Unit) : B.Ed (2 units), D.El.Ed (1 unit) and D.El.Ed-AI (1 unit).</p> <p>2. These were recognized in 2004. The Regulations then allowed for setting up Institutions on leased land. The lease period of 30 years goes up to 2036. They can run the courses on the leased land till the leased period runs out.</p> <p>3.1 In 2010 the recognition given to these programmes was withdrawn.</p> <p>3.2 In 2011, the Appellate authority reverses the SRC order. Accordingly, SRC restored recognition. The applicant did not want to continue with D.El.Ed -AI (1 unit). Therefore only M.Ed (1 unit) B.Ed (2 units) and D.El.Ed (1 unit) were restored with recognition.</p> <p>4.1.VT Inspection was ordered in 2016. The VT along with its report submitted a copy of an unregistered Sale Deed given by the college.</p> <p>4.2.We will rely on the registered lease deed and Not on the unregistered Sale Deed.</p> <p>5. The College now wants the D.El.Ed-AI case to be revived. If it is to be so, it will be a new case under the 2014 Regulations. Apart from other infirmities like not applying in time in response to a NCTE Notification, this request will also be hit by the deficiency of not having clear title to the land. That being so their request for revival of D.El.Ed-AI can not now be considered.</p> <p>6. For M.Ed &amp; B.Ed and D.El.Ed cases, only the RPRO processing remains. The</p>

					<p>RPRO inspection conducted in 2016 shows that all facilities are available in accordance with the 2014 Regulations except that the built-up area of 2261 sq mts falls very much short of the 4000 sq mts required. Also, the BP and BCC are not approved, they have not also submitted the latest approved faculty lists.</p> <p>7. We can not, therefore, issue a new FR under the 2014 Regulations just now.</p> <p>8.1. Issue Rejection order as decided in para-5 above.</p> <p>8.2. Issue SCN for M.Ed and B.Ed and D.El.Ed for properly approved BP, BCC and, latest Faculty lists.</p>

Check whether our lawyer has received all the papers.</li><li>2. Give him a brief that this petition calls for amendment of Regulations w.r.t. the declining enrolment position. It is not within the man date of the SRC to amend or relax the Regulations. Only the NCTE (HQ) can do that. The Regulations govern the functioning of all the 4 Regional Committees covering tens of thousands of Institutions. It is not practicable to amend or relax norms/standards w.r.t. the enrolment position of one or two Institutions.</li><li>3. Bring this case to the notice of NCTE (HQ). We feel, they should be actively associated with this matter.</li><li>4. 48.	AOS00519	B.Ed 1 Unit	Sri Balaji College of Education, Ananthapur, Andhra Pradesh	AP	<ol style="list-style-type: none"><li>1. This college was given FR for B.Ed (100 students) in 2000. After Notification of the 2014 Regulations, they agreed to abide by the new Regulations and were given a RPRO for B.Ed (2 units). Subsequently, at their request, in 2015 this was reduced to B.Ed (1 unit).</li><li>2. In August 2017 they gave a letter to the effect that, because of poor enrolment, they would not like to run the programme during 2017-18. It has been the consistent stand of this committee that Institutions should either run the recognized programme or close them down. They can not have the discretion to unilaterally run or temporarily shut down recognized programmes. But, no response was given to them because of pressure of other urgent cases.</li><li>3. They have now approached to say that, because of improvement in the enrolment portion, they would like to run the programme during 2017-18. Since this revised stand of theirs is in line with the system envisaged in the Regulations, they are allowed to withdraw their earlier letter of Aug 2017. They can enroll students and run their B.Ed (1 unit) programme without any disruption during 2017-18</li></ol>
