In the normal course, vertical expansion beyond 2 units would not have been possible. But, they have applied for M.Ed Which would make it a composite institution. 14	--	--	A letter dated 13.12.2017 received from NCTE Hqrs	TN	<p>1. This case pertains to a petition by 3 Teachers who had done a Diploma in Pre-School Teacher Education from the Manonmaniam Sundarnar University (MSU) in Tirunelveli.</p> <p>2.1 The course was started by the University without any clearance from NCTE or the DTERT ( Tamil Nadu).</p> <p>2.2 As a result, there have been problems in certifying their Diplomas as recognized diplomas.</p> <p>2.3 Consequently the petitioners have not been getting any salary.</p> <p>3.1 This problem has been agitated for some years by them. The matter has been pending not for want of any action but (basically) for want of a curriculum framed and issued by the DTERT (T.N).</p>

**350<sup>th</sup> Meeting of SRC**  
**21<sup>st</sup> & 22<sup>nd</sup>, December, 2017**

					<p>3.2 The Petitioners had cited a G.O. to claim that curriculum was available. This is not correct. The G.O cited was wrong. The correct position is that curriculum approved by DTERT is still not available.</p> <p>3.3 It is not that we have been inactive. We have been writing to DTERT (TN), the University and, the NCTE (HQ). We have now to address a detailed letter to the DTERT (T.N) impressing upon them the urgency involved and requesting for immediate action to finalise and issue the curriculum for DPSE.</p> <p>3.4. Keep the University informed.</p> <p>4. At a later stage, a point will arise about retrospective recognition. We are not competent to issue FRs retrospectively. Therefore, write to NCTE (HQ) now itself seeking advice on how to deal with this issue whenever it crops up.</p> <p>5. Keep the lawyer informed of all this so that, whenever it becomes necessary, he can suitably apprise the court of all the relevant facts.</p>

There was no scope for shifting B.Ed (2 units) . This issue was settled by us on 17-18 June 2016.</p> <p>3. On 12.07.2017 they repeated their request for D.El.Ed-AI (1 unit) and shifting B.Ed (2 units).</p> <p>4.1. A Composite Inspection was again ordered. The Institution has shown reluctance to go ahead with the inspection. In fact, there is really no need of a second Composite inspection.</p> <p>4.2. We can straight way proceed to consider D.El.Ed-AI (1 unit) at the new site i.e., their own land.</p> <p>4.3. We can straightway reject the proposal for shifting B.Ed (2 units) because of inadequate built-up area at the new site.</p> <p>5.1. B.Ed (2 units) was sanctioned in 2006 when locating institutions on private leased lands could be permitted if the lease was for 30 years.</p> <p>5.2. But, after the notification of 2014 Regulations, the built-up area requirements have changed because of 'basic unit' sizes. That being so, it has to be checked whether at all we can allow 2 units of B.Ed there. Check the records and report on the built-up area position on the leased land. If it is not adequate for 2 units of B.Ed, we should give SCN for withdrawal of recognition to the 2<sup>nd</sup></p>
