The SRC in its 323rd meeting held on 16th – 18th November 2016, considered the matter and decided as under:

- The SRC has no authority to recognize requests for 'banning' courses. The State Government should have taken it up at the appropriate time with the NCTE(HQ).
- The present letter also cannot be taken as a common objection to all such cases pertaining to the State. At best, we can treat it as the State Govt.'s objection to the 7 cases listed in the letter. As regards other cases, it will be necessary for the State Govt. , in response to our notice, to send specific objections in individual cases. According to the NCTE Regulations, in case of no reply (to our notice in individual cases) from the State Governments, the Regional Committees will be free to process the case further and decide it on its merits.

The State Government may be advised accordingly.

Accordingly, as per decision of SRC, a letter was sent to the Director, SCERT on 06.12.2016.

A letter received from NCTE Hqrs. through email dated 19.12.2016, it stated as under:

"...It is a legally, well settled position that once applications for various courses have been invited/received, they are to be processed by the Regional Committee concerned as per the Regulation 2014 and comments of State Govt. are again sought for under NCTE Regulations (Clause 7(4) of the Regulation 2014). The comments/recommendations of the state Govt. at this stage are expected to be based on merit of the individual application, in the absence of which RC's take their own decision regarding grant of recognition/refusal. It appears that in these cases when the comments of the State Govt. were invited, the State Govt. simply gave a negative recommendation with a blanket refusal and without assigning any reasons in each individual case. It was possible for the SRC to consider the views of the State Govt. if the recommendation would have been made available in each case on merit with adequate reason. As such, SRC has acted within its rights conferred under the provision of Section 14&15 of the NCTE Act 1993.

However, in all such cases wherever the State Govt. feels that the institution does not qualify for grant of recognition and it is aggrieved with the decision of the SRC they may file an 'Appeal' under Section 18 of the NCTE Act. Section 18(1) of the Act categorically provides that 'any person aggrieved' by an order under Section 14 or 15 or 17 can prefer an Appeal. Till date, under this category, only applicant institutions have been filing appeals

		<p style="text-align: center;">and not any other 'aggrieved person'."</p> <p>The SRC in its 326th meeting held on 04th – 05th January, 2017 considered and Noted the matter.</p> <p>A letter was sent to Smt. Ranjeev R.Acharya, Special Chief Secretary to Govt., Education Department, Government of Telangana on 18.01.2017 regarding communicating clarification from NCTE Hqrs in this regard.</p> <p>The Committee considered the negative recommendation from State Govt. of Telangana dated 18.1.2017 and decided as under:-</p> <ol style="list-style-type: none"> 1. This was finally disposed of in the last meeting. Even NCTE(HQ) has sent a detailed reply to the State Government. 2. No further action is required for correspondence with the State Government. 3. The Regional Director(SRO) has confirmed that no further communication has been received from the Govt. of Telangana about their objection to these 7 cases individually. The earlier common objection letter also does not give any reasons for the objection. The NCTE letter to the State Govt. makes it very clear that a blanket refusal without giving any reasons in each individual case renders it impossible for the SRC to consider the view of the State Govt. on merit with adequate reason. 4. In the result, and for the reasons given above, it will not be possible to reject (or, even, hold up) these 7 cases. The Supreme Court prescribed dateline of 3 March 17 for issue of FR w.e.f. 2017-18 makes it imperative for us to give attention to these cases without further delay. That being so, process these 7 cases and put them up for SRC consideration in the next meeting.

A deficiency letter was issued to the institution on 22.04.2013. The institution replied to the deficiency letter on 19.06.2013.</p> <p>The reply of the institution vide letter dated 19-06-2013 to the deficiency letter was duly considered and the committee observed that the reply is unconvincing and not satisfactory, deficiencies still persist as under:</p> <ol style="list-style-type: none"> 1. As per Non-encumbrance certificate, land is on lease basis, which is not permissible as per NCTE Regulations 2009. 2. The institution has not submitted building plan duly issued by the competent authority. 3. The Building Completion Certificate approved from the competent Government Engineer is not submitted. 4. In the land usage certificate submitted, conversion from agriculture to non-agriculture is not mentioned. <p>Under the above grounds and with reference to the totality of information collected & based on a collective application of mind, the SRC in its 249th meeting held on 24th-26th July 2013 decided as per NCTE Regulations 2009, to reject the application of the institution for recognition of B.Ed course.</p> <p>Accordingly, rejection order was issued to the institution on 05.09.2013.</p> <p>Aggrieved by the rejection order of SRC, the institution preferred an appeal to NCTE-Hqrs and the appellate authority vide order No. F.No.89-694/2013 Appeal/4th Meeting-2014 dated 28.04.2014 remanded the case to SRC as follows:-</p> <p>“Committee noted that appellant institution had submitted online application on 31.12.2012. Deficiency letter dated 22.04.2013 was issued to the appellant institution pointing out eight deficiencies one of which related to submission of a non encumbrance certificate issued by sub-registrar. The appellant</p>

furnished a reply dated 17.06.2013 enclosing therewith a copy of non-encumbrance certificate.

From the relevant entries in this encumbrance certificate it was revealed that the land on which the course is proposed to be run is on lease for 29 years. As this fact was revealed only through the entries in one furnished by the appellant institution in reply to deficiency letter dated 22.04.2013 and this could not have been a point in the deficiency letter. It is however, noticed that before finally refusing the application, no show cause notice under section 14/15 3(b) of the Act was issued to the appellant institution. The Council therefore, concluded to remand back the case to SRC with a direction to issue a show cause notice.

After perusal of the memorandum of appeal, affidavit, the documents available on records and considering the oral arguments advanced during the hearing, the Council concluded that the appeal deserves to be remanded to SRC with a direction to issue a show cause notice.

The office memorandum (directive) from the NCTE Hqrs dated 25.04.2014 is as under;

'The appeal Committee is in agreement with the advice of the legal Counsel about continued consideration of the appeals received so far as also those to be received in future, in accordance with law and procedure. However, in cases where the Appeal Committee decided to remand them to the Regional Committees for such actions like re-issue of deficiency letter/show cause notice or to consider the submissions of the appellant etc. it is felt that it would suffice from the point of view of the committee to state in their minutes that the suggested actions are taken in accordance with the NCTE Regulations.

Since the revised Regulations are yet to be notified, it would be appropriate if the NCTE administratively informs all the Regional committees that further action on the appellate order in case of 'remand' should be taken only in the light of the revised regulations to be notified.'

In view of the above legal opinion and Appeal Committee's decision, all the Regional Offices/Committees are directed to act upon the Appellate orders of remanded back cases accordingly.

The SRC in its 268th meeting held on 04th 05th June 2014 considered the office memorandum (directive) from the NCTE Hqrs dated 25.04.2014, decided and advised Southern Regional Office to process the said application after notification of new Regulations as per NCTE (H.Q) instruction.

An email dated 18.12.2014, was received from NCTE Hqrs regarding guidelines for processing of pending applications.

Accordingly, a willingness letter was issued to the institution on 19.12.2014. The institution submitted its reply along with relevant documents on 12.01.2015.

The SRC in its 278th Meeting held on 25th January 2015, considered the matter submission of affidavit vide letter dated 12.01.2015 along with the relevant documents, and it was decided to serve Notice Under Section 14 of NCTE Act for the following deficiencies:-

- Two deeds of surrender of lease.
- Latest Encumbrance Certificate.

As per the decision of SRC a show cause notice was issued to the institution on 25.02.2015.

If they had given their reply and if it was found to be satisfactory, they would have been given recognition, for the course applied and only w.e.f 2017-18. In other words, they have not suffered , any irreparable damage by their failure to reply so far. Taking a lenient view, therefore, this Committee is inclined to give them further time till 31 December 16 so that, in case they give their reply at least during the extended time-limit, their case can still be considered w.e.f 2017-18. Accordingly, the institution is given further time till 31.12.2016 to give reply to the LOI issued on 05.04.2016.

institution vide its letter dated 17.03.2015 submitted copies of building plan and building completion certificate which were found to be not issued with the approval of Competent Civic authorities. The Regional Committee further issued a letter dated 20.04.2015 asking the appellant institution to submit measurement certified by Government Engineer. Appeal Committee is therefore, of the opinion that appellant should be given another chance to submit to the S.R.C., copies of (i) Building plan (ii) Building Completion Certificate (B.C.C.) in prescribed Performa issued under the seal and signatures of Competent Civic authority. Appellant is required to submit copy of Building plan and Building Completion Certificate approved by Competent Civic authority to SRC Bangalore within 30 days of the receipt of appeal orders. They are aggrieved by the action of the 1st respondent state Government in not granting affiliation / permission for the academic year 2012-2013 to start D.Ed course.</i>3) <i>The facts, which are not in dispute, are that National Council for Teacher Education (NCTE), accorded recognition to the petitioner institutions to run D.Ed course for the academic year 2012-2013. This recognition was given in the months of August/September/ October 2012. The petitioner institutions, thereafter, submitted applications to the state Government seeking affiliation during the month of August/September/ October 2012. The proposals were duly verified through the inspection teams. After being satisfied with the infrastructure provided by the petitioner – institutions, the affiliation. The Committee, through processed the application for the academic year 2012-13, recommended affiliations for the academic year 2013-2014. the petitioners, who have obtained recognition from the NCTE for the academic year 2012-2013 , are aggrieved by this action of the affiliation Committee. They Content that they are entitled for affiliation for the academic year 2012-2013.</i>4) <i>From a perusal of the Counter affidavit filed on behalf of the respondents , the affiliation Committee has taken the decision to recommend, the affiliation Committee has taken decision to recommend affiliation for 2013-2014 because for the academic year 2012-13. according to the respondents there should be at least 200 working days in an academic year and that as the number of working days will fall short, it is not in the interest of the students to give affiliation for the academic year 2012-2013.</i>5) <i>It is well settled that once recognition is granted by the NCTE further steps of affiliation should normally follow as per Section 14 (6) of the NCTE Act , 1993. the role of the state is very formal and the state is not expected to obstruct the Commencement of admission process and academic course once recognition is granted and affiliation is found to be acceptable</i>6) <i>It is true under G.O.Ms.No.104, dated 24.11.2007, the affiliation Committee is required to ensure that conditions of recognition and affiliation are fulfilled by the institutions and submit its recommendation to the Government for its approval. Admittedly this exercise has been done in the case of the petitioner institutions on 06.02.2013 by which date the petitioners had complied all the requirements. No apparent reason is forthcoming from the respondents for not granting affiliation immediately thereafter. It is not in dispute that the counseling was still in progress as on 06.02.2013 and in fact the last date for the students to report to the colleges was on 28.02.2013</i>7) <i>It is relevant to mention that in all these cases interim Orders were granted by this Court during 16.02.2013 to 26.02.2013 to include the names of the petitioner institutions in the list of Colleges for allotment of candidates in the 3rd phase of Counseling there was ample time for according affiliations. Therefore the Objection that there will be shortage of working days from the prescribed 200 days does not stand to reasoning. Admittedly counseling was done till 08.02.2013 and admissions were given till 28.02.2013. Furthermore, the material placed before this court shows that in the past in similar matters, institutions were permitted to make spot admissions and they were required to complete the number of working days by working extra hours on working</i>

		<p><i>days, on public holidays and also in summer vacation. There is no valid reason why the Government should not extended the same benefit to the petitioner – institutions .Furthermore, huge investments have gone into creating infrastructure by the petitioner – institution and it will be unfair to ask them to wait for one more year and it frustrates the NCTE's recognition for the present academic year as well.</i></p> <p>8) <i>For the foregoing reasons, these writ petitions are allowed and consequently a direction shall go to the 1st respondent to accord affiliation to the petitioner – institutions to run D.Ed., course so as to enable them to admit the students for the academic year 2012-13. No costs.</i></p> <p>9) <i>In view of disposal of writ petitions,W.P.M.P.NO.6206/2013 in W.P.NO.4968/2013; W.V.M.P.NO.863/2013 and W.P.M.P.NO.6178/2013 in W.P.NO.4950/2013; W.V.M.P.NO.862/2013 and W.P.M.P.NO. 5626/2012 in W.P.NO.4504/2013; W.P.M.P.NO.5825/2013 in W.P.NO.4663/2013; W.V.M.P.NO.856/2013 and W.P.M.P.NO.5870/2013 in W.P.NO.4700/2013; W.V.M.P.NO.865/2013 and W.P.M.P.NO. 5991/2013 in W.P.NO.4790/2013; W.V.M.P.NO.867/2013 and W.P.M.P.NO.6208/2013 in W.P.NO.4970/2013; W.V.M.P.NO.864/2013 and W.P.M.P.NO.6386/2013 in W.P.NO.5116/2013; W.V.M.P.NO. 860/2013 and W.P.M.P.NO.6393/2013 in W.P.NO.5722/2013; W.V.M.P.NO.861/2013 and W.P.M.P.NO.6566/2013 in W.P.NO 5275 /2013; W.V.M.P.NO.868/2013 and W.P.M.P.NO.6571/2013 in W.P.NO 5279/2013; W.P.M.P.NO. 6894/201 in W.P.NO.5526/2013; W.P.M.P.NO. 7990/2013 in W.P.NO.6386/2013; W.P.M.P.NO.7990/2013 in W.P.NO.6388/2013 are dismissed ads .
